Expiring Tests

The sunset period for an expiring test allows a State and local provider to transition to other tests suitable for use in the NRS. The State and local provider may use the transition period to select new tests, purchase appropriate inventories of assessment materials, and provide training to staff.

Revocation of Tests

Under certain circumstances, the Secretary may revoke the determination that a test is suitable (see § 462.12(e)). If the Secretary revokes the determination of suitability, the Secretary announces through the **Federal Register** and posts on the internet at www.nrsweb.org a notice of that revocation, along with the date by which States and local eligible providers must stop using the revoked test.
