**SUPPLEMENTARY INFORMATION:** Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the OMB for each collection of information that they conduct or sponsor.

"Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of title 44 requires federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each renewal of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the renewal of the collection of information set forth in this document.

*Title:* International Regulation—Part 28.

*OMB Control No.:* 1557-0102.

*Description:* This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB extend its approval of the information collection.

#### 12 CFR 28.3 Filing Requirements for Foreign Operations of a National Bank—Notice Requirement

A national bank shall notify the OCC when it files an application, notice, or report with the FRB<sup>1</sup> to establish or open a foreign branch, or acquire or divest of an interest in, or close, an Edge corporation, Agreement corporation, foreign bank, or other foreign organization; or opens a foreign branch, and no application or notice is required by the FRB for such transaction.

In practice, the OCC also has required an application pursuant to § 28.3(c) from a national bank seeking to join a foreign exchange, clearinghouse, or similar type of organization. In lieu of a notice, the OCC may accept a copy of an application, notice, or report submitted to another federal agency that covers the proposed action and contains substantially the same information required by the OCC. A national bank shall furnish the OCC with any additional information the OCC may require in connection with the national bank's foreign operations.

#### 12 CFR 28.14(c) Limitations Based upon Capital of a Foreign Bank—Aggregation

A foreign bank shall aggregate business transacted by all federal branches and agencies with the business transacted by all state branches and agencies controlled by the foreign bank in determining its compliance with limitations based upon the capital of the foreign bank. A foreign bank shall designate one federal branch or agency office in the United States to maintain consolidated information so that the OCC can monitor compliance.

#### 12 CFR 28.15(d), (d)(1), (d)(2), and (f) Capital Equivalency Deposits

A foreign bank should require its depository bank to segregate its capital equivalency deposits on the depository bank's books and records. The instruments making up the capital equivalency deposit that are placed in safekeeping at a depository bank to satisfy a foreign bank's capital equivalency deposit requirement must be maintained pursuant to an agreement prescribed by the OCC that shall be a

<sup>1</sup> Board of Governors of the Federal Reserve System.

written agreement entered into with the OCC. Each federal branch or agency shall maintain a capital equivalency account and keep records of the amount of liabilities requiring capital equivalency coverage in a manner and form prescribed by the OCC. A foreign bank's capital equivalency deposits may not be reduced in value below the minimum required for that branch or agency without the prior approval of the OCC, but in no event may the value fall below the statutory minimum.

#### **12 CFR 28.16(c) Deposit-Taking by an Uninsured Federal Branch—Application for an Exemption**

A foreign bank may apply to the OCC for an exemption to permit an uninsured federal branch to accept or maintain deposit accounts that are not listed in § 28.16(b). The request should describe the types, sources, and estimated amount of such deposits and explain why the OCC should grant an exemption, and how the exemption maintains and furthers the policies described in § 28.16(a).

#### **12 CFR 28.16(d) Deposit-Taking by an Uninsured Federal Branch—Aggregation of Deposits**

A foreign bank that has more than one federal branch in the same state may aggregate deposits in all of its federal branches in that state, but exclude deposits of other branches, agencies, or wholly owned subsidiaries of the bank. The federal branch shall compute the average amount by using the sum of deposits as of the close of business of the last 30 calendar days ending with, and including, the last day of the calendar quarter, divided by 30. The federal branch shall maintain records of the calculation until its next examination by the OCC.

#### **12 CFR 28.18(c)(1) Recordkeeping and Reporting—Maintenance of Accounts, Books, and Records**

Each federal branch or agency shall maintain a set of accounts and records reflecting its transactions that are separate from those of the foreign bank and any other branch or agency. #### **12 CFR 28.20(a)(1) Maintenance of Assets—General Rule**

The OCC may require a foreign bank to hold certain assets in the state in which its federal branch or agency is located.

#### **12 CFR 28.22(e) Reports of Examination**
