Certain Cold Rolled Steel Flat Products from the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission of Review; 2016–2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that Hyundai Steel Company (Hyundai) and POSCO/POSCO Daewoo Co., Ltd. (collectively POSCO/PDW), the two companies selected for individual examination, sold subject merchandise in the United States at prices below normal value during the POR. We invite interested parties to comment on these preliminary results.

DATES: Applicable October 12, 2018.

FOR FURTHER INFORMATION CONTACT: Michael J. Heaney or Daniel Deku, AD/

CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4475 or (202) 482–5075, respectively.

SUPPLEMENTARY INFORMATION:

Background

Commerce initiated this administrative review on November 13, 2017.¹ We selected Hyundai and POSCO/PDW as mandatory respondents. For a detailed description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum, dated concurrently with these preliminary results and hereby adopted by this notice.²

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Access to ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. A list of the topics discussed in the Preliminary Decision Memorandum is attached to this notice as an Appendix. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The product covered by this order is cold-rolled steel flat products (cold-rolled steel) from the Republic of Korea. For the full text of the scope of the order, *see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. Normal

value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Rates for Non-Examined Companies

The statute and Commerce's regulations do not address the establishment of a rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally "an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}."

In this review, we have preliminarily calculated weighted-average dumping margins for Hyundai and POSCO/PDW that are not zero, *de minimis*, or determined entirely on the basis of facts available. Accordingly, we have preliminarily assigned to the company not individually examined (*i.e.*, Hyundai Glovis Co., Ltd.) a margin of 11.68 percent, which is the weighted average of Hyundai and POSCO/PDW calculated weighted-average dumping margins.³

Partial Rescission of Review

On February 14, 2018, the petitioners⁴ timely withdrew their review requests for certain companies.⁵ Pursuant to 19 CFR 351.213(d)(1),

³ For more information regarding the calculation of this margin, see Memorandum, "Calculation of the Margin for Non-Examined Companies," dated October 3, 2018. As the weighting factor, we relied on the publicly ranged sales data reported in Hyundai and POSCO/PDW quantity and value charts.

⁴ The petitioners are ArcelorMittal USA LLC; AK Steel Corporation; Nucor Corporation; Steel Dynamics, Inc.; and United States Steel Corporation.

⁵ Ameri-Source Korea; Dongbu Steel Co., Ltd.; Dongkuk Steel Mill Co., Ltd.; Dongkuk Industries Co., Ltd.; GS Global Corp.; Hanawell Co., Ltd.; Hankum Co., Ltd.; Hyuk San Profile Co., Ltd.; Kindus Inc.; Samsung C&T Corp.; Steel N Future; Taihan Electric Wire Co., Ltd.; and Uin Global Co. See Petitioners' Letter, "Cold-Rolled Steel Flat Products from the Republic of Korea—Petitioners' Partial Withdrawal of Administrative Review Request," dated February 14, 2018.

Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. Accordingly, we are rescinding this review with respect to the companies for which all review requests have been withdrawn. For a full description of the methodology and rationale underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

Commerce preliminarily determines that, for the period March 7, 2016, through August 31, 2017, the following weighted-average dumping margins exist:

Producer or exporter	Weighted-average dumping margin (percent)
Hyundai	36.59
POSCO/PDW	2.78
Non-examined companies	11.68

Disclosure, Public Comment, and Opportunity To Request a Hearing

We intend to disclose the calculations performed for these preliminary results of review to interested parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, the content of which is limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.⁶ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁷ Case and rebuttal briefs should be filed using ACCESS⁸ and must be served on interested parties.⁹ Executive summaries should be limited to five pages total, including footnotes.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via Commerce's electronic records system, ACCESS. An electronically filed request

must be received successfully in its entirety by 5:00 p.m. Eastern Time within 30 days of the date of publication of this notice.¹⁰ Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a date and time to be determined.¹¹ Parties should confirm the date, time, and location of the hearing two days before the scheduled date.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any case or rebuttal briefs, no later than 120 days after the date of publication of this notice, unless extended.¹²

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

For any individually examined respondent whose weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.5 percent) in the final results of this review and the respondent reported reliable entered values, we will calculate importer-specific *ad valorem* assessment rates for the merchandise based on the ratio of the total amount of dumping calculated for the examined sales made during the period of review to each importer and the total entered value of those same sales, in accordance with 19 CFR 351.212(b)(1). If the respondent has not reported reliable entered values, we will calculate a per-unit assessment rate for each importer by dividing the total amount of dumping calculated for the examined sales made to that importer by the total sales quantity associated with those transactions. Where an importer-specific *ad valorem* assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties in

¹² See section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

accordance with 19 CFR 351.106(c)(2). If a respondent's weighted-average dumping margin is zero or *de minimis* in the final results of review, we will instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews*, i.e., "{w}here the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed." ¹³

For entries of subject merchandise during the POR produced by Hyundai and POSCO/PDW for which the producer did not know its merchandise was destined for the United States, or for any respondent for which we have a final determination of no shipments, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company (or companies) involved in the transaction. ¹⁴

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Hyundai, POSCO/PDW, and other companies listed in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 20.33 percent, ¹⁵ the all-

others rate established in the less-than-fair-value investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 3, 2018.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
