SUPPLEMENTARY INFORMATION: On July 3, 2017, Commerce initiated, and the ITC instituted, the fourth sunset review of the antidumping duty order on TRBs from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).¹ As a result of its review, Commerce determined that revocation of the antidumping duty order on TRBs from China would likely lead to a continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the order be revoked.² On September 28, 2018, the ITC published its determination, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on TRBs from China would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.³

Scope of the Order

The products covered by the order are tapered roller bearings and parts thereof, finished and unfinished, from China; flange, take up cartridge, and hanger units incorporating tapered roller bearings; and tapered roller housings (except pillow blocks) incorporating tapered rollers, with or without spindles, whether or not for automotive use. These products are currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) item numbers 8482.20.00, 8482.91.00.50, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.99.80.15⁴ and 8708.99.80.80.⁵ Although the HTSUS item numbers are provided for convenience and customs purposes, the written description of the

scope of the order and this review is dispositive.⁶

Continuation of the Order

As a result of these determinations by Commerce and the ITC that revocation of the antidumping duty order on TRBs would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, Commerce hereby orders the continuation of the antidumping duty order on TRBs from China. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, Commerce intends to initiate the next five-year review of the order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply is a violation of the APO which may be subject to sanctions.

This five-year sunset review and this notice are in accordance with section 751(c) of the Act and published

pursuant to section 777(i)(1) of the Act and 19 CFR 351.218(f)(4).

Dated: September 28, 2018.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
