### Bureau of the Census

[Docket Number: 180920854-8854-01]

#### Suspension of the Geographically Updated Population Certification Program for Places Incorporating or Annexing Between Censuses

**AGENCY:** Bureau of the Census, Department of Commerce.

**ACTION:** Notice of suspension of program.

**SUMMARY:** This document serves as notice to state and local governments and to other federal agencies that beginning on January 1, 2019, the Bureau of the Census (Census Bureau) will suspend the Geographically Updated Population Certification Program for three years—the year preceding the decennial census, the decennial census year, and the year following it—to accommodate the 2020 Census operation. During this time, the Census Bureau will not provide the operations necessary to determine the updated April 1, 2010 census population and housing unit counts for entities that: Annex territory; incorporate or organize as counties; or incorporate or organize as boroughs, cities, towns, villages, townships, or other general purpose governments. However, the Census Bureau will consider all requests for population and housing count updates received in writing before January 1, 2019.

**DATES:** As of January 1, 2019, the Geographically Updated Population Certification Program will be suspended. It will remain suspended until December 31, 2021.

**FOR FURTHER INFORMATION CONTACT:** Mr. Darryl Cohen, Population Division, U.S. Census Bureau, 4600 Silver Hill Road, Washington, DC 20233, telephone (301) 763-2419, email [Darryl.T.Cohen@census.gov](mailto:Darryl.T.Cohen@census.gov).

**SUPPLEMENTARY INFORMATION:** The Census Bureau first began to make updated decennial census count determinations to reflect geographic boundary changes in 1972 in response to the requests of local governments to establish eligibility for participation in the General Revenue Sharing Program, authorized under Public Law 92-512. At that time, the Census Bureau established a fee-for-service program enabling entities with annexations to obtain updated decennial census population counts that reflected the population living in the annexed areas. The Census Bureau also received funding from the U.S. Department of the Treasury to make those determinations for larger annexations that met prescribed criteria and for new incorporations. The General Revenue Sharing Program ended on September 30, 1986, but the certification program continued into 1988 with support for the Census Bureau. The program was suspended to accommodate the 1990 Census operations and resumed in 1992. The Census Bureau supported the program through fiscal year 1995 for cities with

large annexations and through fiscal year 1996 for new incorporated places. The program was continued on a fee-for-service basis only until June 1, 1998, at which time it was suspended for the 2000 Census (see the **Federal Register**, 63 FR 27706, May 20, 1998). In 2002, the program was resumed and has since been referred to as the Geographically Updated Population Certification Program or GUPCP (see the **Federal Register**, 67 FR 72095, December 4, 2002). As was the case for two previous censuses, the program was suspended to accommodate the 2010 Census operations (see the **Federal Register**, 72 FR 46602, August 21, 2007). The suspension began on January 1, 2008 and ended on December 31, 2012 (see the **Federal Register**, 78 FR 54863, September 6, 2013).

The Census Bureau is suspending the program for the year immediately preceding, the year of, and year following the 2020 Census to permit allocation of necessary resources to the decennial census. However, all requests for population and housing count updates received before January 1, 2019 will be considered. The Census Bureau will announce in a future **Federal Register** notice the date that the program will resume. The Census Bureau plans to resume the program in the year 2022, after 2020 Census data become available, for those entities that desire the service provided that any and all costs associated with this work are borne by the local governmental entity.

Authority to continue this program on a fee-for-service basis is contained in Title 13, United States Code, Section 8.

Dated: October 15, 2018.

**Ron S. Jarmin,**

*Deputy Director, Performing the Non-Exclusive Functions and Duties of the Director, Bureau of the Census.*

### Bureau of Industry and Security

**In the Matter of: Luis Antonio Urdaneta Pozo, Inmate Number: 68375-018, FCI Edgefield, P.O. Box 725, Edgefield, SC 29824; Order Denying Export Privileges**

On June 27, 2017, in the U.S. District Court for the Southern District of Florida, Luis Antonio Urdaneta Pozo ("Pozo") was convicted of violating Section 38 of the Arms Export Control Act (22 U.S.C. 2778 (2012)) ("AECA"). Specifically, Pozo was convicted of knowingly and willfully exporting from

the United States to Venezuela items designated as defense articles on the United States Munitions List, namely, handguns and ammunition of various calibers, without the required U.S. Department of State licenses. Pozo was sentenced to 63 months in prison, three years of supervised release, and a \$100 special assessment.

Section 766.25 of the Export Administration Regulations (“EAR” or “Regulations”)<sup>1</sup> provides, in pertinent part, that “[t]he Director of the Office of Exporter Services, in consultation with the Director of the Office of Export Enforcement, may deny the export privileges of any person who has been convicted of a violation of . . . section 38 of the Arms Export Control Act (22 U.S.C. 2778).” 15 CFR 766.25(a). The denial of export privileges under this provision may be for a period of up to 10 years from the date of the conviction. 15 CFR 766.25(d). In addition, Section 750.8 of the Regulations states that the Bureau of Industry and Security’s Office of Exporter Services may revoke any Bureau of Industry and Security (“BIS”) licenses previously issued pursuant to the Act or the Regulations in which the person had an interest at the time of his/her conviction.

BIS has received notice of Pozo’s conviction for violating Section 38 of the AECA, and has provided notice and an opportunity for Pozo to make a written submission to BIS, as provided in Section 766.25 of the Regulations. BIS has not received a submission from Pozo.

Based upon my review and consultations with BIS’s Office of Export Enforcement, including its Director, and the facts available to BIS,

<sup>1</sup> The Regulations are currently codified in the Code of Federal Regulations at 15 CFR parts 730–774 (2018). The Regulations originally issued under the Export Administration Act of 1979, as amended, 50 U.S.C. 4601–4623 (Supp. III 2015) (“the EAA”), which lapsed on August 21, 2001. The President, through Executive Order 13,222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 8, 2018 (83 FR 39,871 (Aug. 13, 2018)), continued the Regulations in full force and effect under the International Emergency Economic Powers Act, 50 U.S.C. 1701, *et seq.* (2012) (“IEEPA”). On August 13, 2018, the President signed into law the John S. McCain National Defense Authorization Act for Fiscal Year 2019, which includes the Export Control Reform Act of 2018, Title XVII, Subtitle B of Public Law 115–232 (“ECRA”). While Section 1766 of ECRA repeals the provisions of the EAA (except for three sections which are inapplicable here), Section 1768 of ECRA provides, in pertinent part, that all rules and regulations that were made or issued under the EAA, including as continued in effect pursuant to IEEPA, and were in effect as of ECRA’s date of enactment (August 13, 2018), shall continue in effect according to their terms until modified, superseded, set aside, or revoked through action undertaken pursuant to the authority provided under ECRA.

I have decided to deny Pozo’s export privileges under the Regulations for a period of 10 years from the date of Pozo’s conviction. I have also decided to revoke all licenses issued pursuant to the Act or Regulations in which Pozo had an interest at the time of his conviction.

Accordingly, it is hereby *ordered*:

*First*, from the date of this Order until June 27, 2027, Luis Antonio Urdaneta Pozo, with a last known address of Inmate Number: 68375–018, FCI Edgefield, P.O. Box 725, Edgefield, SC 29824, and when acting for or on his behalf, his successors, assigns, employees, agents or representatives (“the Denied Person”), may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, license exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or engaging in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or from any other activity subject to the Regulations.

*Second*, no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

*Third*, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any other person, firm, corporation, or business organization related to Pozo by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business may also be made subject to the provisions of this Order in order to prevent evasion of this Order.

*Fourth*, in accordance with Part 756 of the Regulations, Pozo may file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of Part 756 of the Regulations.

*Fifth*, a copy of this Order shall be delivered to Pozo and shall be published in the **Federal Register**.

*Sixth*, this Order is effective immediately and shall remain in effect until June 27, 2027.

Issued this October 12, 2018.

*Director, Office of Exporter Services.*
