Section 427A of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1077a), provides formulas for determining the interest rates charged to borrowers on loans made under the FFEL Program, including Federal Subsidized and Unsubsidized Stafford Loans (Stafford Loans), Federal PLUS Loans (PLUS Loans), Federal Consolidation Loans (Consolidation Loans), and Federal Supplemental Loans for Students (SLS Loans). No new loans have been made under the FFEL Program since June 30, 2010.

The FFEL Program includes loans with variable interest rates that change each year and loans with fixed interest rates that remain the same for the life of the loan. For loans with a variable interest rate, the specific interest rate formula that applies to a particular loan depends on the date of the first disbursement of the loan or, in the case of a Consolidation Loan, the date the application for the loan was received. If a loan has a variable interest rate, a new rate is determined annually and is in effect during the period from July 1 of one year through June 30 of the following year.

This notice announces the interest rates for variable-rate FFEL Program loans that will be in effect during the period from July 1, 2018, through June 30, 2019. Interest rates for fixed-rate FFEL Program loans may be found in a **Federal Register** notice published on September 15, 2015 (80 FR 55342).

For the majority of variable-rate FFEL Program loans, the annual interest rate is equal to the lesser of—
