Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of Information Collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections.

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: All comments should be addressed to Laurette Brown, National Aeronautics and Space Administration, Mail Code IT-C2, Kennedy Space Center, FL 32899.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Laurette L. Brown, KSC Paperwork Reduction Act Clearance Coordinator, John F. Kennedy Space Center, Mail Code IT-C2, Kennedy Space Center, FL 32899 or email Laurette.L.Brown@NASA.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

The NASA Kennedy Space Center (KSC) manages and facilitates the center-specific Job Shadowing Program (JSP). The program targets high school and undergraduate students and offers an opportunity to experience the practical application of STEM, business, and other disciplines aligned to NASA's long-term workforce needs, in a NASA-unique workplace setting. Program participants receive insight into NASA and KSC's history, current activities, and other student opportunities through briefings, tours, and career panels. Each participant is then matched with a subject matter expert to gain direct exposure to the implementation of their

respective fields of interest and related career paths.

II. Methods of Collection

The information will be collected via an electronic process.

III. Data

Title: Job Shadowing Program.

OMB Number: 2700-0135.

Type of review: Renewal of a currently approved collection.

Affected Public: High school and college students, and faculty.

Average Expected Annual Number of Activities: 4.

Average number of Respondents per Activity: 20.

Annual Responses: 80.

Frequency of Responses: Quarterly.

Average minutes per Response: 30.

Burden Hours: 26.

IV. Request for Comments

Comments are invited on:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility;

(2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information;

(3) ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

Laurette Brown,

KSC PRA Clearance Coordinator.

NATIONAL FOUNDATION FOR THE ARTS AND THE HUMANITIES

Institute of Museum and Library Services

Notice of Proposed Information Collection Request: Museum Application Program (MAP) Application

AGENCY: Institute of Museum and Library Services, National Foundation on the Arts and the Humanities.

ACTION: Notice; request for comments on this collection of information.

SUMMARY: The Institute of Museum and Library Services (IMLS), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act. This pre-clearance consultation program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the addressee section below on or before January 21, 2019.

IMLS is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques, or other forms of information technology, e.g., permitting electronic submissions of responses.

ADDRESSES: Send comments to: Dr. Sandra Webb, Director, Office of Grants Policy and Management, Institute of Museum and Library Services, 955 L'Enfant Plaza North SW, Suite 4000, Washington, DC 20024-2135. SUPPLEMENTARY INFORMATION:

I. Background

The Institute of Museum and Library Services is the primary source of federal support for the nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant making, research, and policy development. Our vision is a nation where museums and libraries work together to transform the lives of individuals and communities. To learn more, visit www.imls.gov.

II. Current Actions

The Museum Assessment Program (MAP) is a technical assistance program that can help a museum attain excellence in operations and planning, through a confidential process of self-study and peer review. For over 30 years, MAP has helped over 5,000 small and mid-sized museums of all types through a confidential, consultative process of self-study and a site visit from an expert peer reviewer over one year. MAP helps museums strengthen operations, plan for the future and meet standards. MAP is currently administered by the American Alliance of Museums (Alliance) and supported through a cooperative agreement with the Institute of Museum and Library Services (IMLS).

This action is to create the forms and instructions for the program application for the Museum Assessment Program for the next three years.
