General Description of Collection

The elements of this collection are required under sections 503 and 504 of the Gramm-Leach-Bliley Act, 15 U.S.C. 6803, 6804. The collection mandates notice requirements and restrictions on a financial institution's ability to disclose nonpublic personal information about consumers to nonaffiliated third parties.

There is no change in the method or substance of the collection. However,

the FDIC has reviewed its previous PRA submission and has reassessed its burden hours associated with responding to the existing requirements of sections 503 and 504 of the Gramm-Leach-Bliley Act. In particular, the time to comply with sections 503 and 504 has decreased due to streamlined and technological advances. In addition, the FDIC has also updated its estimated number of respondents based on available information. The overall

decrease in burden hours is the result of these changes.

2. Title: Registration of Mortgage Loan Originators (SAFE Act).

OMB Number: 3064-0171.

Affected Public: FDIC Supervised Institutions and Employee Mortgage Loan Originators.
