

reimbursement to these entities and mandates the use of various measures designed to protect the Reimbursement Fund against waste, fraud, and abuse. This submission is being made to implement the Commission's directive to add LPTV, TV Translators, and FM broadcast stations to this Information Collection.

In the *LPTV, TV Translator, and FM Reimbursement Report and Order*, the Commission delegated to the Media Bureau the authority to modify current FCC Form 2100, Schedule 399, TV Broadcaster Relocation Fund Reimbursement Form (Reimbursement Form), to add all newly eligible LPTV, TV Translator, and FM broadcast entities. The Media Bureau has, therefore, added questions and certifications to the Reimbursement Form to accommodate these newly eligible broadcast entities. Specifically, in order to protect the Reimbursement Fund against waste, fraud, and abuse, all newly eligible broadcast entities that propose to request reimbursement for eligible expenses must certify on the Reimbursement Form that they meet the specified eligibility criteria and provide information regarding their affected broadcasting equipment and the estimated costs eligible for reimbursement. This Information Collection is otherwise unchanged as already approved by OMB.

Federal Communications Commission.

SUPPLEMENTARY INFORMATION:

Background: The Advisory Board was established under the Energy Employees Occupational Illness Compensation Program Act of 2000 to advise the President on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Advisory Board include providing advice on the development of probability of causation guidelines which have been promulgated by the Department of Health and Human Services (HHS) as a final rule, advice on methods of dose reconstruction which have also been promulgated by HHS as a final rule, advice on the scientific validity and quality of dose estimation and reconstruction efforts being performed for purposes of the compensation program, and advice on petitions to add classes of workers to the Special Exposure Cohort (SEC). In December 2000, the President delegated responsibility for funding, staffing, and operating the Advisory Board to HHS, which subsequently delegated this authority to the CDC. NIOSH implements this responsibility for CDC. The charter was issued on August 3, 2001, renewed at appropriate intervals, rechartered under Executive Order 13811 on February 12, 2018, and will terminate on September 30, 2020.

Purpose: This Advisory Board is charged with a) providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; b) providing advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this program; and c) upon request by the Secretary, HHS, advising the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class.

Matters To Be Considered: The agenda will include discussions on: Recording April 2019 Meeting Absentee Votes; Work Group and Subcommittee Reports; Update on the Status of SEC Petitions; Plans for the August 2019 Advisory Board Meeting; and Advisory Board Correspondence. Agenda items are subject to change as priorities dictate.
