

respond to requests from HHS, Congress, and others.

Likely Respondents: RWHAP AETC trainees are asked to complete the PIF either at the start or at conclusion of an event. Trainers are asked to complete an ER for each training event they conduct during the year. In addition, each regional RWHAP AETC (eight total) and the RWHAP AETC National Coordinating Resource Center will compile these data into a data set and submit to HRSA HAB once a year.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose, or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train

personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

The estimated annual response burden to trainers, as well as trainees of training programs is follows:

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Participant Information Form (PIF)	61,288	1	61,288	0.05	3,064
Event Record (ER)	10,522	1	10,522	0.13	1,368
Total	71,810	71,810	4,432

The estimated annual burden to RWHAP AETCs is as follows:

	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
Aggregate Data Set	9	1	9	10	90

Jomana Musmar, Designated Federal Officer, Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria, Office of the Assistant Secretary for Health, U.S. Department of Health and Human Services, Room L133, Switzer Building, 330 C St. SW, Washington, DC 20201. Phone Number: (202) 795-7678. Email: CARB@hhs.gov.

SUPPLEMENTARY INFORMATION: Under Executive Order 13676, dated September 18, 2014, authority was given to the Secretary of HHS to establish the Advisory Council, in consultation with the Secretaries of Defense and Agriculture. Activities of the Advisory Council are governed by the provisions of Public Law 92-463, as amended (5 U.S.C. App.), which sets forth standards for the formation and use of federal advisory committees.

The Advisory Council will provide advice, information, and recommendations to the Secretary of HHS regarding programs and policies intended to support and evaluate the implementation of Executive Order 13676, including the National Strategy for Combating Antibiotic-Resistant Bacteria and the National Action Plan for Combating Antibiotic-Resistant Bacteria. The Advisory Council shall function solely for advisory purposes.

In carrying out its mission, the Advisory Council will provide advice, information, and recommendations to the Secretary regarding programs and policies intended to preserve the effectiveness of antibiotics by optimizing their use; advance research to develop improved methods for combating antibiotic resistance and conducting antibiotic stewardship; strengthen surveillance of antibiotic-resistant bacterial infections; prevent the transmission of antibiotic-resistant bacterial infections; advance the development of rapid point-of-care and agricultural diagnostics; further research on new treatments for bacterial infections; develop alternatives to antibiotics for agricultural purposes; maximize the dissemination of up-to-date information on the appropriate and proper use of antibiotics to the general public and human and animal healthcare providers; and improve international coordination of efforts to combat antibiotic resistance.

The public meeting will be dedicated to the council's deliberation and vote on the National Action Plan (NAP) on Combating Antibiotic Resistance Bacteria (CARB) 2019 Working Group's (WG) report out on their draft response to the Secretary of the Department of Health and Human Services (HHS) on identifying priority areas for the next iteration of the NAP on CARB, 2020–2025. The remainder of the two-day public meeting will include panel presentations and council discussions surrounding emerging antifungals, and provider challenges and educational solutions to influence antibiotic stewardship and One Health. The meeting agenda will be posted on the Advisory Council website at <http://www.hhs.gov/ash/carb/> when it has been finalized. All agenda items are tentative and subject to change.

Public attendance at the meeting is limited to the available space. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Advisory Council at the address/telephone number listed above at least one week prior to the meeting. For those unable to attend in person, a live webcast will be available. More information on registration and accessing the webcast can be found at <http://www.hhs.gov/ash/carb/>.

Members of the public will have the opportunity to provide comments prior to the Advisory Council meeting by emailing CARB@hhs.gov. Public comments should be sent in by midnight July 2, 2019, and should be limited to no more than one page. All

public comments received prior to July 2, 2019, will be provided to Advisory Council members; comments are limited to five minutes per speaker.

Dated: May 2, 2019.

Jomana F. Musmar,
Designated Federal Officer, Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria, Committee Manager.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Establishment of the Interdepartmental Substance Use Disorders Coordinating Committee and Solicitation of Nominations for Committee Members

AGENCY: Office of the Assistant Secretary for Health, Office of the Secretary, U.S. Department of Health and Human Services.

ACTION: Notice.

SUMMARY: The U.S. Department of Health and Human Services (HHS) hereby announces the establishment of the Interdepartmental Substance Use Disorders Coordinating Committee (Committee) pursuant to Section 7022 of the Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment for Patients and Communities Act. The Committee will consist of representatives of specific federal agencies and non-federal individuals and entities who represent diverse disciplines and views. The Committee will identify areas for improved coordination related to substance abuse, including research, services, supports and prevention activities across all relevant Federal agencies. In identifying areas for coordination, the committee will provide recommendations for improving Federal programs for the prevention and treatment of, and recovery from, substance use disorders, including by expanding access to prevention, treatment and recovery services. They will also analyze substance use disorder prevention and treatment strategies in different regions of and populations in the United States and evaluate the extent to which Federal substance use disorder and treatment strategies are aligned with State and local substance disorder and treatment strategies.

Through this notice, HHS is also requesting nominations of individuals who are interested in being considered for appointment to the Committee. Resumes or curricula vitae from qualified individuals who wish to be considered for appointment as a

member of the Committee are currently being accepted.

DATES: Nominations must be received no later than 11:59 p.m. June 14, 2019.

ADDRESSES: All nominations must be submitted via email at SUDCommittee@hhs.gov with the subject line: Interdepartmental SUD Coordinating Committee.

FOR FURTHER INFORMATION CONTACT:
