Notice of Lodging of Proposed Consent Decree Under The Clean Air Act

On May 10, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Western District of Michigan in the lawsuit entitled *United States v. Tilden Mining Company L.C.*, Civil Action No. 19-095.

The United States filed a Complaint in this lawsuit under the Clean Air Act (CAA), naming Tilden Mining Company L.C. as the defendant. The Complaint seeks injunctive relief and civil penalties for violations of the environmental regulations that govern taconite mines and processing plants and the emission of particulate matter from certain sources at defendant's taconite processing plant in Ishpeming, Marquette County, Michigan. Under the proposed consent decree, Tilden Mining Company agrees to implement procedures to improve future compliance with the CAA and State regulations, and pay \$125,000 in civil penalties. In return, the United States agrees not to sue the defendant under section 113 of the CAA related to its past violations.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Tilden Mining Company L.C.*, D.J. Ref. No. 90-5-2-1-11172. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

BILLING CODE 4410-15-P

DEPARTMENT OF JUSTICE

[OMB Number 1121-NEW]

Agency Information Collection Activities; Proposed Collection Comments Requested; New Collection: Survey of Law Enforcement Personnel in Schools (SLEPS)

AGENCY: Bureau of Justice Statistics, Department of Justice.

ACTION: 30-Day notice.

SUMMARY: The Department of Justice (DOJ), Office of Justice Programs, Bureau of Justice Statistics (BJS), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

The proposed information collection was previously published in the **Federal Register** on Thursday, February 21, 2019, allowing a 60-day comment period. Following publication of the 60-day notice, BJS received one request for the survey instruments and comments on survey content from three organizations. In response, BJS made modest revisions to several existing questions and response options, and also added some new questions to better capture information on the training and activities of law enforcement officers working in schools. BJS does not expect these changes to impact the estimated respondent burden.

DATES: Comments are encouraged and will be accepted for 30 days until June 17, 2019.

FOR FURTHER INFORMATION CONTACT: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Elizabeth Davis, Statistician, Law Enforcement Statistics Unit, Bureau of Justice Statistics, 810 Seventh Street NW, Washington, DC 20531 (email: Elizabeth.Davis@usdoj.gov; telephone: 202–305–2667). Written comments and/or suggestions can also be sent to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503 or sent to OIRA_submissions@omb.eop.gov.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological

collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* New collection.

(2) *The Title of the Form/Collection:* Survey of Law Enforcement Personnel in Schools (SLEPS)

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form number for the agency survey is SLEPS–1; the form number for the officer survey is SLEPS–2. The applicable component within the Department of Justice is the Bureau of Justice Statistics, in the Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Respondents will be law enforcement agencies (LEAs), including school-based police; municipal, county, and regional police; sheriff's offices; and school resource officers (SROs) employed by these LEAs.

SLEPS will examine law enforcement involvement in ensuring safety in schools by conducting both an agency-level and an officer-level survey. The agency-level survey asks about departmental policies and agreements with schools; funding sources and the number/type of schools served; and SRO recruitment, training, and supervision. The officer-level survey asks SROs about their experience as a law enforcement officer, training, activities in schools, and characteristics of their primary assignment. SLEPS will provide key national statistics to fill the knowledge gap surrounding law enforcement in schools and further the school safety agenda.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An agency-level survey will be sent to approximately 1,982 LEA respondents. The expected burden placed on these respondents is about 30 minutes per respondent. These respondents will also receive an officer roster form which has an expected burden of about 10 minutes per respondent. It is expected that approximately 1,367 agencies will complete the roster form. A point of contact (POC) at these 1,367 agencies will be asked to distribute an officer-level survey to approximately 4,137 school resource officers. The expected burden is about 20 minutes per POC to distribute survey materials and about 30

minutes per officer to complete the survey.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total respondent burden is approximately 3,743 burden hours.

If additional information is required contact: Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E.405A, Washington, DC 20530.

Dated: May 13, 2019.

Melody Braswell,

Department Clearance Officer for PRA, U.S. Department of Justice.

DEPARTMENT OF JUSTICE

Notice of Extension of Public Comment Period for Consent Decree Under the Clean Air Act

On February 8, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Alabama in the lawsuit entitled *United States et al. v. Drummond Company, Inc. d/b/a ABC Coke (Drummond)*, Civil Action No. 2:19–cv–00240–AKK. The United States is joined in this matter by its co-plaintiff the Jefferson County Board of Health (JCBH). At the request of members of the public, DOJ is extending the public comment period for an additional 30 days.

This case relates to alleged releases of benzene from Drummond's coke by-product recovery plant in Tarrant, Alabama (Facility). The case involves claims for civil penalties and injunctive relief under the Clean Air Act, 42 U.S.C. 7401 *et seq.*, and its implementing regulations known as National Emission Standards for Hazardous Air Pollutants (NESHAPs), including 40 CFR part 61, subpart L (Benzene Emissions from Coke By-product Recovery Plants), Subpart V (Equipment Leaks and Fugitive Emissions), and Subpart FF (Benzene Waste Operations), as well as related claims under laws promulgated by the Jefferson County Board of Health. The settlement resolves the alleged claims by requiring Drummond to, among other things: (1) Pay a civil penalty of \$775,000 for the past alleged violations to be split equally between the United States and JCBH; (2) undertake fixes to the Facility to address the alleged violations; (3) implement a leak detection and repair program to ensure compliance and reduce potential
