ENVIRONMENTAL PROTECTION AGENCY

[FRL–9993–80–OA]

Announcement of the Board of Directors for the National Environmental Education Foundation

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of appointment.

SUMMARY: The National Environmental Education and Training Foundation (doing business as The National Environmental Education Foundation) or (NEEF) was created by Section 10 of Public Law 101–619, the National Environmental Education Act of 1990 (NEEA) as a private non-profit organization. It was established by Congress as a common ground upon which leaders from business and industry, all levels of government, public interest groups, and others can work cooperatively to raise a greater national awareness of environmental issues beyond traditional classrooms. Per NEEA, the EPA Administrator is the sole entity statutorily responsible for appointing NEEF’s Board of Directors. The Administrator announces the following four-year appointments to NEEF’s Board of Directors, effective August 19, 2019:

- Todd Greenwood—National FFA Organization
- Katherine Emerson—National Corn Growers Association (NCGA), Congressional Hunger Center
- Don Mattingly—Major League Baseball & the Miami Marlins
- Katie Hogge—Ocean Conservancy & American Conservation Coalition

Additional considerations: As an independent foundation, NEEF is different from the Agency’s several federal advisory committees and scientific boards, which have their own appointment processes. Because NEEA gives complete discretion to the Administrator in appointing members to NEEF’s Board of Directors, EPA is taking additional steps to ensure all prospective members are qualified to serve on the Board and represent diverse points of view. In early 2019, EPA’s Office of the Administrator formed an internal review panel comprised of senior EPA career officials tasked with verifying the qualifications of all future members of the NEEF Board of Directors selected by the Administrator. All new Board appointees underwent review by the panel prior to publication of this notice. These appointees will join the current Board members. Information on Board members is available on NEEF’s public website: <https://www.neefusa.org/about-neef/board>.

FOR FURTHER INFORMATION CONTACT: For information regarding this Notice of Appointment, please contact Lee Tanner, 202–564–4988, Acting Supervisor for the Office of Environmental Education, U.S. EPA, 1200 Pennsylvania Avenue NW, Washington, DC 20460. General information concerning NEEF may be found here: <https://www.neefusa.org/>.

SUPPLEMENTARY INFORMATION: Section 10(a) of the National Environmental Education Act of 1990 (NEEA) establishes the National Environmental Education Foundation and its underlying terms. The statute in its entirety is available on EPA’s website and may be accessed here: <https://www.epa.gov/education/national-environmental-education-act#s10>.

Section 10 of the NEEA provides the following, in pertinent part:

(B) to conduct such other environmental education activities as will further the development of an environmentally conscious and responsible public, a well-trained and environmentally literate workforce, and an environmentally advanced educational system; and

(C) to participate with foreign entities and individuals in the conduct and coordination of activities that will further opportunities for environmental education and training to address environmental issues and problems involving the United States and Canada or Mexico.

(3) PROGRAMS—The Foundation will develop, support, and/or operate programs and projects to educate and train educational and environmental professionals, and to assist them in the development of environmental education and training programs and studies.

(b) Board of Directors

(1) ESTABLISHMENT AND MEMBERSHIP—(A) The Foundation shall have a governing Board of Directors (hereafter referred to in this section as ‘the Board’), which shall consist of 13 directors, each of whom shall be knowledgeable or experienced in the environment, education and/or training. The Board shall oversee the activities of the Foundation and shall assure that the activities of the Foundation are consistent with the environmental and education goals and policies of the EPA and with the intents and purposes of this Act. The membership of the Board, to the extent practicable, shall represent diverse points of view relating to environmental education and training.

(2) APPOINTMENT AND TERMS—(A) Members of the Board shall be appointed by the EPA Administrator.

(B) Within 90 days of the date of the enactment of this Act, and as appropriate thereafter, the Administrator shall publish in the **Federal Register** an announcement of appointments of Directors of the Board. Such appointments become final and effective 90 days after publication of the Notice of Appointment in the **Federal Register**.

(C) The directors shall be appointed for terms of 4 years. The Administrator shall appoint an individual to serve as a director in the event of a vacancy on the Board within 60 days of said vacancy in the manner in which the original appointment was made. No individual may serve more than 2 consecutive terms as a director.

In December 2018, NEEF signed a first-time Memorandum of Understanding with the (EPA) Acting Administrator Andrew R. Wheeler to establish increased coordination between EPA and the NEEF on key EPA initiatives including, but not limited to, EPA’s Trash Free Waters Program, Winning on Reducing Food Waste initiative, and Healthy Schools initiative.

To obtain the permit, the TSDFs must submit an application describing the facility’s operation. There are two parts to the RCRA permit application—Part A and Part B. Part A defines the processes to be used for treatment, storage, and disposal of hazardous wastes; the design capacity of such processes; and the specific hazardous wastes to be handled at the facility.
