Notice of Request for Extension and Revision of a Currently Approved Information Collection

AGENCY: Agricultural Marketing Service, USDA.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the Agricultural Marketing Service's (AMS) intention to request approval from the Office of Management and Budget (OMB) for an extension of a currently approved information collection for the Reporting and Recordkeeping Requirements Under Regulations Under the Perishable Agricultural Commodities Act, 1930, as amended.

DATES: Comments received by July 22, 2019 will be considered.

Additional Information or Comments: You may submit written or electronic comments to: Natalie Worku, PACA Recordkeeping and Reporting Comments, AMS, Fair Trade Practices Program, PACA Division, 1400 Independence Avenue SW, Room 1510-S, Stop 0242, Washington DC 20250-0242; fax: 202-690-4413; or internet: <http://www.regulations.gov>.

SUPPLEMENTARY INFORMATION:

Title: Reporting and Recordkeeping Requirements Under Regulations (Other than Rules of Practice) Under the Perishable Agricultural Commodities Act, 1930.

OMB Number: 0581-0031.

Expiration Date of Approval: November 30, 2019.

Type of Request: Extension of a currently approved information collection.

Abstract: The PACA was enacted by Congress in 1930 to establish a code of fair trading practices covering the marketing of fresh and frozen fruits and vegetables in interstate or foreign commerce. It protects growers, shippers, and distributors dealing in those commodities by prohibiting unfair and fraudulent trade practices.

The law provides a forum for resolving contract disputes, and a mechanism for the collection of damages from anyone who fails to meet contractual obligations. In addition, the PACA provides for prompt payment to fruit and vegetable sellers and for revocation of licenses and sanctions against firms or principals found to have violated the law's standards for fair business practices. The PACA also imposes a statutory trust that attaches to perishable agricultural commodities received by regulated entities, products derived from the commodities, and any receivables or proceeds from the sale of the commodities. The trust exists for the benefit of produce suppliers, sellers, or agents that have not been paid, and continues until they have been paid in full.

The PACA is enforced through a licensing system. All commission merchants, dealers, and brokers engaged in business subject to the PACA must be licensed. Retailers and grocery wholesalers must renew their licenses every three years. All other licensees renew yearly. Those who engage in practices prohibited by the PACA may have their licenses suspended or revoked.

The information collected pursuant to OMB Number 0581-0031 is used to administer licensing provisions under the PACA, to adjudicate contract disputes, and to enforce the PACA and the regulations. The purpose of this notice is to solicit comments from the public concerning our information collection.

Form FPPP-211, Application for License: average of .25 hours per application per response.
