of the ITC's final affirmative injury determination as further described below.

Suspension of Liquidation—CVD

In accordance with section 706 of the Act, Commerce will instruct CBP to reinstitute suspension of liquidation on all relevant entries of LWS from Vietnam, effective on the date of publication of the ITC's final affirmative injury determination in the **Federal Register**, and to assess, upon further instruction by Commerce, pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates for the subject merchandise. These instructions suspending liquidation will remain in effect until further notice. Commerce will also instruct CBP to require cash deposits equal to the amounts as indicated below. Accordingly, effective on the date of publication of the ITC's final affirmative injury determination, CBP will require, at the same time as importers would normally deposit estimated duties on the subject merchandise, a cash deposit for each entry of subject merchandise equal to the subsidy rates listed below.[10] The all-others rate applies to all producers or exporters not specifically listed below, as appropriate.

Exporter/producer	Subsidy rate (percent)
Duong Vinh Hoa Packaging Company Limited	3.02
Xinsheng Plastic Industry Co., Ltd	198.87
All-Others	3.02

Provisional Measures—CVD

Section 703(d) of the Act states that suspension of liquidation instructions issued pursuant to an affirmative preliminary determination may not remain in effect for more than four months. Commerce published its *CVD Preliminary Determination* on August 13, 2018. Therefore, the provisional measures period, beginning on the date of publication of the *CVD Preliminary Determination,* ended on December 11, 2018. Pursuant to section 707(b) of the Act, the collection of cash deposits at the rate listed above will begin on the date of publication of the ITC's final injury determination in the **Federal Register**.

Therefore, in accordance with section 703(d) of the Act, Commerce instructed CBP to terminate the suspension of liquidation and to liquidate, without regard to countervailing duties, unliquidated entries of LWS from Vietnam entered, or withdrawn from warehouse, for consumption on or after December 11, 2018, the date on which the provisional measures expired, through the day preceding the date of publication of the ITC's final affirmative injury determination in the **Federal Register**. Suspension of liquidation will resume on the date of publication of the ITC's final affirmative injury determination in the **Federal Register**.
