I. Abstract

The NASA Ames Research Center, Human Systems Integration Division, manages voluntary safety reporting systems to collect and share safety information including, but not limited to, the NASA Aviation Safety Reporting System (ASRS) and the Confidential Close Call Reporting System (C3RS). Both systems are voluntary reporting systems for the reporting of safety incidents, events, or situations. Respondents include, but are not limited to, any participant involved in safety-critical domains such as aviation or railway operations including commercial and general aviation pilots, drone operators, air traffic controllers, flight attendants, ground crews, maintenance technicians, dispatchers, train engineers, conductors, and other members of the public.

of safety. The data are used to (1) Identify deficiencies and discrepancies so that these can be remedied by appropriate authorities, (2) Support policy formulation and planning for improvements and, (3) Strengthen the foundation of human factors safety research. Respondents are not reimbursed for associated cost to provide the information. Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

Title: NCUA Vendor Registration Form.

Abstract: Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Act) (Pub. L. 111-203) calls for agencies to promote the inclusion of minority and women-owned firms in their business activities. The Act also requires agencies to annually report to Congress the total amounts paid to minority and women-owned businesses. In order for NCUA to comply with this Congressional mandate, NCUA 1772 is used to collect certain information from its current and potential vendors, so that it can identify businesses that meet the criteria. The vendor information is to be submitted to the agency on a one-time basis and will be used to assign an ownership status to the vendor (i.e., minority-owned business, woman-owned business) per the requirements of the Act. Once an ownership status is assigned to each vendor, NCUA will be able to calculate the total amounts of contracting dollars paid to minority-owned and women-owned businesses.

Affected Public: Private Sector: Businesses or other for-profit.

Estimated Total Annual Burden Hours: 33.

By Gerard Poliquin, Secretary of the Board, the National Credit Union Administration, on May 30, 2019.
