B. Submitting Comments

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <http://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "Environmental Protection Regulations for Domestic Licensing and Related Regulatory Functions." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The NRC a **Federal Register** notice with a 60-day comment period on this information collection on February 13, 2019, 84 FR 3830.

1. *The title of the information collection*: 10 CFR part 51, "Environmental Protection Regulations for Domestic Licensing and Related Regulatory Functions."

2. *OMB approval number*: 3150-0021.

3. *Type of submission*: Extension.

4. *The form number if applicable*: Not applicable.

5. *How often the collection is required or requested*: Environmental Reports are required upon submittal of an

application for a combined license, construction permit, operating license, operating license renewal, early site permit, design certification, decommissioning or license termination review, or manufacturing license, or upon submittal of a petition for rulemaking.

6. *Who will be required or asked to respond*: Licensees and applicants requesting approvals for actions proposed in accordance with the provisions of 10 CFR parts 30, 32, 33, 34, 35, 36, 39, 40, 50, 52, 54, 60, 61, 70, and 72.

7. *The estimated number of annual responses*: 17.

8. *The estimated number of annual respondents*: 16.7.

9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request*: 30,462.

10. *Abstract*: The NRC's regulations at 10 CFR part 51 specify information to be provided in environmental reports by applicants and licensees so that the NRC can make determinations necessary to adhere to the policies, regulations, and public laws of the United States, which are interpreted and administered in accordance with the provisions set forth in the National Environmental Policy Act of 1969, as amended.

Dated at Rockville, Maryland, this 3rd day of June 2019.

For the Nuclear Regulatory Commission.

David C. Cullison,

NRC Clearance Officer, Office of the Chief Information Officer.
