

agencies * 1 review schedule * 4 hours). FNS estimates that it takes on average approximately 80 hours to develop a comprehensive State and local corrective action plan, resulting in a total of 4,240 hours (80 hours * 53 State plans). FNS estimates that it takes an average of 340 hours to conduct a review. It is estimated that ME reviews are conducted for one-half of the total

number of project areas (1,430). Therefore, FNS estimates that it takes approximately 486,200 hours annually for State agencies to conduct their reviews (340 hours × 1,430 ME reviews). FNS also estimates that the time necessary for recordkeeping, that is, the time required for State agencies to document and maintain the findings of an ME review for internal purposes is

0.1169 hours, or 7 minutes, per State record. If State agencies each maintain approximately 29 records, then the total amount of time for recordkeeping required is 180 hours (1,537 records * 0.1169 hours).

See the table below for estimated total annual burden for each type of respondent.

Section of CFR	Respondent	Estimated # respondent	Responses annually per respondent/ reviews	Total annual responses (Col. b × c)	Estimated avg. # of hours per response	Estimated total hours (Col. d × e)
Reporting Burden						
7 CFR 275.20	State and local agencies review schedule.	53	1	53	4	212
7 CFR 275.16–18	State and Local corrective action plan development.	53	1	53	80	4,240

The total estimated annual reporting burden is as follows:

Prepare Review Schedules: $4 \times 53 = 212$ hours

Prepare Corrective Action Plans: $80 \times 53 = 4,240$ hours

Conduct ME Reviews: $340 \times 1,430 = 486,200$ hours

Record Keeping: $.1169 \times 1,537 = 180$ hours

Estimated Total Annual Reporting and Recordkeeping Burden: 490,832 hours

Estimated Total Annual Burden on Respondents: 29,449,920 minutes (490,832 hours).

Background

In accordance with the provisions of FACA, the Secretary of Agriculture is seeking nominations for the purpose of improving collaborative relationships among people who use and care for National Forests and provide advice and recommendations to the Forest Service concerning projects and funding consistent with SRS Title II. The duties of SRS RACs include monitoring projects, advising the Secretary on the progress and results of monitoring efforts, and making recommendations to the Forest Service for any appropriate changes or adjustments to the projects being monitored by the SRS RACs.

SRS RACs Membership

The SRS RACs will be comprised of 15 members, no fewer than 9 members in accordance with the Agriculture Improvement Act of 2018; hereafter, 2018 Farm Bill. Members will be approved by the Secretary of Agriculture except in Arizona and Montana, where they will be approved by the Regional Forester and each will serve a 4-year term. SRS RACs membership will be balanced in terms of the points of view represented and functions to be performed. The SRS RACs shall include representation from the following interest areas:

(1) Five persons who represent:

In accordance with Section 8702 of the Agriculture Improvement Act of 2018, the Secretary may grant a composition waiver to modify the membership requirements for a RAC. After this **Federal Register** Notice of solicitation for candidates is published, the Secretary may reduce the membership composition “to not fewer than 9” members, provided an adequate number of qualified candidates are not interested or available to serve on a Resource Advisory Committee. Under this waiver, the membership requirements under the categories of interest (a), (b), and (c) may reduce to 3 members in each category as described above. In the event that a vacancy arises, the Designated Federal Officer (DFO) may fill the vacancy in the manner in which the original appointments were made. In accordance with the SRS Act, members of the SRS RAC shall serve without compensation. SRS RAC members may be allowed travel expenses and per diem for attendance at committee meetings, subject to approval of the DFO responsible for administrative support to the SRS RAC.

Nomination and Application Information

The appointment of members to the SRS RACs will be made by the Secretary of Agriculture except for appointments under the 2018 Agriculture Improvement Act (Pub. L. 115–334)—2018 Farm Act’s Pilot Program. The Secretary plans to carry out the program to allow Regional Foresters to appoint members to the SRS RACs within the states of Arizona and Montana.

The public is invited to submit nominations for membership on the SRS RACs, either as a self-nomination or a nomination of any qualified and interested person.
