

requirements of Section 17A(b)(3)(F) of the Act.¹⁹

B. Consistency With Rule 17Ad–22(e)(17)(i)

Rule 17Ad–22(e)(17)(i) requires, in relevant part, that ICE Clear Europe establish, implement, maintain and enforce written policies and procedures reasonably designed to, as applicable, manage ICE Clear Europe's operational risks by identifying the plausible sources of operational risk, both internal and external, and mitigating their impact through the use of appropriate systems, policies, procedures, and controls.²⁰

As described above, by formalizing, consolidating, and clarifying ICE Clear Europe's existing policies and process for managing operational risks, the ORMP is designed to enhance ICE Clear Europe's ability to identify relevant sources of operational risk, monitor them on an ongoing basis, and take appropriate and timely action to respond to such risks. Specifically, as described above, the proposed Policy provides that the business areas and functions within ICE Clear Europe that are exposed to particular operational risks will be the "risk owners" responsible for identifying, monitoring, assessing, and proposing approaches to the remediation of those risks. Further, as described above, these risk owners will be required as part of ongoing reporting as well as routine periodic reporting to inform multiple levels of management, up to and including the Board, of incidents, risk assessments, and plans to remediate operational risks. The Commission believes that these procedures will help ensure that the risk owners who are immediately impacted and who have the requisite expertise will regularly monitor, identify, and assess risks while also keeping ICEEU's management informed of such risks and incidents. As a result, the Commission believes that this is consistent with the obligation under Rule 17Ad–22(e)(17)(i) to identify the plausible sources of operational risk, both internal and external, and to mitigate their impact through the use of appropriate systems, policies, procedures, and controls.²¹

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of Section 17A of the

Act,²² and Rule 17Ad–(e)(17)(i)²³ thereunder.

It is therefore ordered pursuant to Section 19(b)(2) of the Act²⁴ that the proposed rule (SR–ICEEU–2019–009) change be, and hereby is, approved.²⁵

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²⁶

J. Lynn Taylor,

Assistant Secretary.
