

for which the reviewed companies did not know that the merchandise they sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁶

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the exporters listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the producer is, the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 6.08 percent, the all-others rate established in the LTFV investigation.¹⁷ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of

antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 10, 2019.

SUPPLEMENTARY INFORMATION:

Background

On July 12, 2018, Commerce published a notice of initiation of an administrative review of the countervailing duty (CVD) order on certain carbon and alloy steel cut-to-length plate from Korea.² On December 17, 2018, Commerce extended the deadline for the preliminary results of this review to no later than May 31, 2019.³ Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 29, 2019.⁴ Accordingly, the revised deadline for the preliminary results of this review is now July 10, 2019. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit, Room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying our conclusions, see the accompanying Preliminary Decision Memorandum.

Intent To Rescind Administrative Review, in Part

On August 7, 2018, we received a timely filed a no-shipments certification from Hyundai Steel Company (Hyundai).⁷ U.S. Customs and Border Protection (CBP) did not provide Commerce with any contradictory information.⁸ Because there is no evidence on the record to indicate that Hyundai had entries, exports, or sales of subject merchandise to the United States during the POR, pursuant to 19 CFR 351.213(d)(3), we intend to rescind the review with respect to Hyundai.

⁵ See Preliminary Decision Memorandum.
⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁸ See Memorandum, "Certain carbon and alloy steel cut-to-length plate from the Republic of Korea (C-580-888)," dated August 16, 2018.

Companies Not Selected for Individual Review

Commerce calculated an individual estimated net countervailable subsidy rate for POSCO, the only individually examined exporter/producer in this investigation. Because the only individually calculated rate is not zero, *de minimis*, or based entirely under section 776 of the Act, the estimated net countervailable subsidy rate calculated for POSCO is the rate assigned to all-other producers and exporters not selected for individual review. This is consistent with the methodology that we would use in an investigation to establish the all-others rate.⁹

Preliminary Results of Review

In accordance with 19 CFR 351.224(b)(4)(i), we calculated an individual net countervailable subsidy rate for POSCO. For the POR, we preliminarily determine that the net countervailable subsidy rates for the producers/exporters under review to be as follows:

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Rate

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.
