

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register**, as provided by section 751(a)(2)(C) of the Act: (1) For the exporters listed in the table in the “Final Results of Review” section above, the cash deposit rate will be the rate listed for each exporter in the table, except if the rate is zero or *de minimis* (i.e., less than 0.5 percent), then the cash deposit rate will be zero; (2) for previously investigated Chinese and non-Chinese exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate previously established for the China-wide entity (i.e., 238.95 percent);¹⁷ and (4) for all non-China exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied the non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure

We intend to disclose the calculations performed for these final results within five days of publication of this notice in the **Federal Register** in accordance with 19 CFR 351.224(b).

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative

protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: July 24, 2019.

Jeffrey I. Kessler

Assistant Secretary for Enforcement and Compliance.

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Institute of Standards and Technology (NIST).

Title: NIST Associates Information System (NAIS).

OMB Control Number: 0693–0067.

Form Number(s): None.

Type of Request: Revision and extension of a current information collection.

Number of Respondents: 4,000.

Average Hours per Response: 30 minutes.

Burden Hours: 2,000.

Needs and Uses: NIST Associates (NA) will include guest researchers, research associates, contractors, and other non-NIST employees that require access to the NIST campuses or resources. The NIST Associates Information System (NAIS) information collection instruments(s) are completed by incoming NAs. They are asked to provide personal identifying data including home address, date and place of birth, employer name and address, and basic security information. The data provided by the collection instruments is input into NAIS which automatically populates the appropriate forms and is routed through the approval process. NIST’s Office of Security receives security forms through the NAIS process and allows preliminary access to NIST for NAs. The data collected is the basis for further security investigations as necessary.

Affected Public: Individuals or households.

Frequency: Once.

Respondent’s Obligation: Required to obtain or retain benefits.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this

FOR FURTHER INFORMATION CONTACT: Mr. John DeVore, Staff Officer, Pacific Fishery Management Council; telephone: (503) 820-2413.

SUPPLEMENTARY INFORMATION: The purpose of the SSC Groundfish Subcommittee meeting is to review groundfish stock assessments and catch-only updates that will inform management decisions for 2021 and beyond. Specifically, the SSC Groundfish Subcommittee will review new benchmark assessments and Stock Assessment Review panel reports for cabezon, longnose skate, big skate, sablefish, cowcod, and gopher/black-and-yellow rockfish; as well as new update assessments for petrale sole and widow rockfish. The SSC Groundfish Subcommittee will also review catch-only update projections for black rockfish, blackgill rockfish, brown rockfish, California blue/deacon rockfish north of Pt. Conception, canary rockfish, China rockfish, darkblotched rockfish, Dover sole, lingcod, longspine thornyhead, rougheye/blackspotted rockfish, shortspine thornyhead, and yelloweye rockfish.

No management actions will be decided by the SSC's Groundfish Subcommittee. The SSC Groundfish Subcommittee members' role will be development of recommendations and reports for consideration by the SSC and Pacific Council at the September meeting in Boise, ID.

Although nonemergency issues not contained in the meeting agendas may be discussed, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent of the SSC Groundfish Subcommittee to take final action to address the emergency.

Visitors who are foreign nationals (defined as a person who is not a citizen or national of the United States) will require additional security clearance to access the NMFS Northwest Fisheries Science Center. Foreign national visitors should contact Ms. Stacey Miller at (541) 867-0535 at least two weeks prior to the meeting date to initiate the security clearance process.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt, (503) 820-2411, at least 10 business days prior to the meeting date.
