Overview of This Information Collection

(1) *Type of Information Collection:*
New collection under activities related

to the National Crime Victimization Survey Redesign Program: National Survey of Crime and Safety—Field Test.

(2) *The Title of the Form/Collection:* National Survey of Crime and Safety (NSCS).

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* There are no agency form numbers for this collection. The applicable component within the Department of Justice is the Bureau of Justice Statistics, in the Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Respondents will be all persons 12 years or older living in households located throughout the 48 contiguous states and the District of Columbia sampled for the National Survey of Crime and Safety. Persons living in Alaska and Hawaii and those living in group quarters are excluded for operational efficiency. In early 2014, BJS initiated the NCVS Instrument Redesign and Testing Project to develop a new design for the NCVS. The overarching objective for this project is to redesign and test the NCVS roster control card, crime screener, and crime incident report. The purpose of the National Survey of Crime and Safety field test will be to test the redesigned versions of the roster control card, crime screener, and crime incident report. The NSCS field test will include (1) an interviewer-administered version of the current NCVS instrument, (2) an interviewer-administered, revised questionnaire, and (3) a self-administered, web-based version of the revised questionnaire. The goal of the NSCS field test is to inform final decisions and recommendations for the redesign of the NCVS survey instrument to modernize it and to capture indicators of safety, security and perceptions of police that provide important information on public perceptions and potential correlates of victimization.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimate of the total number of respondents is 12,293 persons age 12 or older. The sample is divided into three groups by instrument version: (1) An interviewer-administered version of the current NCVS instrument, (2) an interviewer-administered, revised questionnaire, and (3) a self-administered, web-based version of the revised questionnaire.

• The first group of 3,064 persons age 12 or older will receive the current interviewer-administered NCVS instrument. About 2,080 respondents

will be the household respondent and receive the roster control card, which is estimated to take 9 minutes per respondent for a total of 312 burden hours. All 3,064 persons age 12 or older will receive the victimization screener, which is estimated to take 9 minutes per respondent for a total of 460 burden hours. It is anticipated that 576 persons in this group will report a victimization and receive the crime incident report, which is estimated to take 15 minutes per respondent for a total of 187 burden hours. There are an estimated 959 total burden hours for this group.

• The second group of 5,107 persons age 12 or older will receive the interviewer-administered, revised questionnaire. About 3,467 respondents will be the household respondent and receive the roster control card, which is estimated to take 9 minutes per respondent for a total of 520 burden hours. All 5,107 persons age 12 or older will receive the non-crime questions (perceptions of community safety or their local police) and victimization screener, which is estimated to take 16.2 minutes per respondent for a total of 1,378 burden hours. It is anticipated that 960 persons in this group will report a victimization and receive the crime incident report, which is estimated to take 18 minutes per respondent for a total of 374 burden hours. There are an estimated 2,273 total burden hours for this group.

• The third group of 4,122 persons age 12 or older will receive the self-administered, web-based version of the revised questionnaire. About 3,752 respondents will be the household respondent and receive the roster control card, which is estimated to take 9 minutes per respondent for a total of 563 burden hours. All 4,122 persons age 12 or older will receive the non-crime questions (perceptions of community safety or their local police) and victimization screener, which is estimated to take 13.2 minutes per respondent for a total of 907 burden hours. It is anticipated that 738 persons in this group will report a victimization and receive the crime incident report, which is estimated to take 15 minutes per respondent for a total of 240 burden hours. There are an estimated 1,709 total burden hours for this group.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 4,941 annual burden hours associated with this collection.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decrees Under the Comprehensive Environmental Response, Compensation and Liability Act

On July 19, 2019, the Department of Justice lodged two proposed Consent Decrees with the United States District Court for the Southern District of New York in a lawsuit entitled *United States v. Hopewell Precision, Inc.*, Civil Action No. 19 Civ. 6749.

In this action, the United States seeks, as provided under the Comprehensive Environmental Response, Compensation and Liability Act, recovery of response costs from two parties in connection with the Hopewell Precision Superfund Site (“Site”) in the Town of East Fishkill, New York. The proposed Consent Decrees resolve the United States’ claims and require Hopewell Precision, Inc. and John B. Budd to pay, in aggregate, \$1,247,700 in reimbursement of the United States’ past and ongoing response costs regarding the Site.

The publication of this notice opens the public comment period on the proposed Consent Decrees. Comments should be addressed to Jeffrey Bossert Clark, Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Hopewell Precision, Inc.*, Civil Action No. 19 Civ. 6749, D.J. Ref. 90–11–3–11193. All comments must be submitted no later than 30 days after the publication date of this notice.
