33 CFR Part 100

[Docket Number USCG–2019–0300]

RIN 1625–AA08

Special Local Regulations; Festival of Sail Duluth 2019, Lake Superior, Duluth, MN

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary special local regulation for a designated area of the Duluth Harbor entrance to Superior Bay on Lake Superior during the Festival of Sail 2019 event in Duluth, MN. This action is necessary to provide for the safety of life on these navigable waters around the port of Duluth, MN. This rulemaking prohibits persons and vessels from being in the designated region unless authorized by the Captain of the Port Duluth or a designated representative.

II. Background Information and Regulatory History

On December 11, 2018 Draw Events LLC notified the Coast Guard that it will be conducting a Festival of Sail event in Duluth, MN from August 11 through August 13, 2019. The Coast Guard published a Notice of Proposed Rulemaking (NPRM) in the **Federal Register** on May 8, 2019. A public comment period was held from May 8, 2019 to July 7, 2019 with no comments received. A Supplemental Notice of Proposed Rulemaking (SNPRM) was submitted to the **Federal Register** with a comment period held from July 3, 2019 to July 17, 2019, extending the Special Local Regulation through the duration of the event. During the comment period we received no comments.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because action is needed during the Festival of Sail to respond to the potential safety hazards associated with increased vessel traffic within Superior Harbor.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Duluth (COTP) has determined that potential hazards associated with increased traffic during the Festival of Sail starting at 7 a.m. on August 11, 2019 will be a safety concern for anyone the designated area. The likely combination of recreational vessels, paddling craft, and Tall Ships present an unacceptable risk of collisions which could result in serious injuries or fatalities. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the special local regulation during the event.

IV. Discussion of Comments, Changes, and the Rule

No comments were received on the SNPRM published July 3, 2019. There are no changes in the regulatory text of this rule from the proposed rule in the SNPRM.

This rule establishes a Special Local Regulation from 7 a.m. on August 11, 2019 through 5 p.m. on August 13, 2019. The duration of the zone is intended to protect the safety of vessels and these navigable waters before, during, and immediately after the scheduled Festival of Sail. Only the designated Tall Ships associated with the event are permitted within the zone while it is being enforced. No other vessels or persons will be permitted to enter the zone without obtaining permission from the COTP or a designated representative during the enforcement period. The COTP or a designated representative may be contacted via VHF Channel 16 or by telephone at (218) 428–9357. The regulatory text appears at the end of this document.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive Orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive Orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the availability of the Superior Harbor entrance as an alternate entry into Superior Bay, the short time frame of the special local regulation, and the estimated number of spectator vessels around the Duluth Harbor entrance for the event. We anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients,
