

On June 13, 2019, Commerce published in the **Federal Register** the notice of initiation of this antidumping duty administrative review with respect to Bongsan.⁴ On July 23 and 24, 2019, Bongsan and the petitioner, respectively, timely withdrew their requests for administrative review of the antidumping duty order with respect to Bongsan.⁵

Rescission of the 2018–2019 Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. The instant review was initiated on June 13, 2019. Bongsan withdrew its request for review on July 23, 2019, and the petitioner withdrew its request for a review on July 24, 2019, which is within the 90-day deadline. No other party requested an administrative review of this order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review of the antidumping duty order on phosphor copper from the Republic of Korea in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of phosphor copper from Korea. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review in the **Federal Register**.

responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Certain Frozen Warmwater Shrimp From India: Preliminary Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that Sunrise Seafoods India Private Limited (SSIPL) is the successor-in-interest to Sunrise Aqua Food Exports (SAFE) in the context of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from India.

DATES: Applicable August 12, 2019.

FOR FURTHER INFORMATION CONTACT: Brittany Bauer, AD/CVD Operations, Office II, Enforcement and Compliance,

International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3860.

SUPPLEMENTARY INFORMATION:

Background

On December 26, 2018, in response to a request by SSIPL, Commerce published a notice of initiation of changed circumstances review to consider whether SSIPL is the successor-in-interest to SAFE.¹ On March 5, 2019, we issued a supplemental questionnaire to SSIPL,² and we received a response during the same month.³

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.⁴ The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

Preliminary Results

In this changed circumstances review, pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), Commerce conducted a successor-in-interest analysis. In making a successor-in-interest determination, Commerce examines several factors, including, but not limited to, changes in the following: (1) Management; (2) production facilities; (3) supplier relationships; and (4) customer base.⁵ While no single

factor or combination of factors will necessarily provide a dispositive indication of a successor-in-interest relationship, generally, Commerce will consider the new company to be the successor to the previous company if the new company's resulting operation is not materially dissimilar to that of its predecessor.⁶ Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, Commerce may assign the new company the cash deposit rate of its predecessor.⁷

In accordance with 19 CFR 351.216, we preliminarily determine that SSIPL is the successor-in-interest to SAFE. Record evidence, as submitted by SSIPL, indicates that SSIPL operates as essentially the same business entity as SAFE with respect to the subject merchandise.⁸ For the complete successor-in-interest analysis, including discussion of business proprietary information, refer to the accompanying successor-in-interest memorandum.⁹
