FEDERAL COMMUNICATIONS COMMISSION

[FCC 19-3]

Establishment of the Fraud Division of the Enforcement Bureau

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: To reflect the activities, structure, and purpose of the Enforcement Bureau (EB), and the importance of protecting against fraud in programs that the Commission oversees, the Commission concluded that the public interest—namely, the proper dispatch of our business—would be served by creating an EB division specifically dedicated to investigating and pursuing fraud. This division will be called the Fraud Division. The purpose of this Order is to create a

division comprised of existing EB staff that will be dedicated to taking enforcement actions against fraud in the Universal Service Fund and other funding programs that the Commission oversees. The Fraud Division will work with the Office of Inspector General and other law enforcement agencies, as appropriate, and will consist of the individuals who now focus on fraud cases. Establishing this division will capitalize on and enhance the Commission's expertise in rooting out fraud in programs over which the FCC has jurisdiction.

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

Proposal Under OMB Delegated Authority To Extend for Three Years, With Revision, the Following Information Collections

Report title: Notice of Mutual Holding Company Reorganization, Application for Approval of a Stock Issuance by a Subsidiary Holding Company of a Mutual Holding Company, Application

for Conversion of a Mutual Holding Company to Stock Form, Proxy Statement, Offering Circular, and Order Form.

Agency form number: FR MM-10(o)-1, FR MM-10(o)-2, FR MM-AC, FR MM-PS, FR MM-OC, and FR MM-OF.

OMB control number: 7100-0340.

Frequency: On occasion.

Respondents: Mutual savings associations that wish to reorganize to form a mutual holding company under the Home Owner's Loan Act, subsidiary holding companies of a mutual holding company, mutual holding companies, members of applying mutual organizations.

Estimated number of respondents: FR MM-10(o)-1: 4; FR MM-10(o)-2: 1; FR MM-AC: 2; FR MM-PS: 1; FR MM-OC: 1; and FR MM-OF: 1.

Estimated average hours per response: FR MM-10(o)-1: 60; FR MM-10(o)-2: 30; FR MM-AC: 60; FR MM-PS: 50; FR MM-OC: 50; and FR MM-OF: 1.

Estimated annual burden hours: FR MM-10(o)-1: 240; FR MM-10(o)-2: 30; FR MM-AC: 120; FR MM-PS: 50; FR MM-OC: 50; and FR MM-OF: 1.

General description of report: The Mutual Holding Company (MHC) Forms consist of information that must be filed in connection with certain proposals involving savings and loan holding companies that are organized in mutual form (MHCs), including the reorganization of a savings association into MHC form, stock issuances of holding company subsidiaries of MHCs, and conversions of MHCs to stock form. The Board requires the submission of these filings to allow the Board to fulfill its obligations to review such transactions under section 10(o) of the Home Owners' Loan Act, as amended (HOLA) (12 U.S.C. 1467a(o)), and the Board's Regulation MM (12 CFR part 239). The Board uses the information submitted by an applicant or notificant to evaluate these transactions with respect to the relevant statutory and regulatory factors.

Proposed revisions: The Board proposes numerous revisions to the MHC Forms, which were originally drafted by the Office of Thrift Supervision (OTS) when it supervised MHCs. Since supervisory functions of the OTS relating to savings and loan holding companies and MHCs were transferred to the Board, many of the proposed changes would modify the MHC Forms to make the forms consistent with the format of other Board forms. Additionally, the proposal includes revisions meant to (1) reduce the amount and types of data requested, (2) incorporate information on the Board's policies and procedures for

processing applications, (3) improve the clarity of the information requests, (4) reflect the impact of new laws, regulations, capital requirements, and accounting rules, (5) delete unnecessary information requests, and (6) improve or update grammar, comprehension, citations, and mailing addresses. The revisions are also intended to ensure that initial filings include the information the Federal Reserve System (Federal Reserve) requires to evaluate a transaction and thereby reduce the need for subsequent information requests.

Legal authorization and confidentiality: The MHC Forms are authorized pursuant to section 10(o) of HOLA, as amended (12 U.S.C. 1467a(o)). That section requires the Board to review transactions involving the reorganization of a savings association into MHC form, stock issuances of holding company subsidiaries of MHCs, and conversions of MHCs to stock form. The Board also has the authority to require reports from savings and loan holding companies (SLHCs) under Section 10(a) and (b) of HOLA (12 U.S.C. 1467a(b) and (g)). The MHC Forms are mandatory.

Individual respondents may request that certain information submitted on the MHC Forms be kept confidential on a case-by-case basis. If a respondent requests confidential treatment, the Board will determine whether the information is entitled to confidential treatment on an ad hoc basis. Requests may include information related to the SLHC's business operations, such as terms and sources of the funding for dividends and pro forma balance sheets. This information may be kept confidential under exemption 4 for the Freedom of Information Act, which protects privileged or confidential commercial or financial information (5 U.S.C. 552(b)(4)).

Board of Governors of the Federal Reserve System, August 7, 2019.

Assistant Secretary of the Board.

Final Approval Under OMB Delegated Authority of the Extension for Three Years, With Revision, of the Following Information Collection

Report title: Market Risk Capital Rule.

Agency form number: FR 4201.

OMB control number: 7100-0314.

Effective Date: Immediately.

Frequency: Reporting, annually; Recordkeeping, annually; Disclosure, annually and quarterly.

Respondents: Bank holding companies (BHCs), savings and loan holding companies (SLHCs), intermediate holding companies (IHCs), and state member banks (SMBs) that meet certain risk thresholds. The market risk rule applies to any such banking organization with aggregate trading assets and trading liabilities equal to (1) 10 percent or more of quarter-end total assets or (2) \$1 billion or more.¹

Estimated number of respondents: 37.

Estimated average hours per response: Reporting, 1,088; Recordkeeping, 220; Disclosure, 68.

Estimated annual burden hours: 13,148.

General description of report: The market risk rule, which requires banking organizations to hold capital to cover their exposure to market risk, is an important component of the Board's regulatory capital framework (12 CFR part 217; Regulation Q). The Board may exclude a banking organization that is subject to the market risk rule if the Board determines that the exclusion is appropriate based on the level of market risk of the banking organization and is consistent with safe and sound banking practices.² The Board may further apply the market risk rule to any other banking organization if the Board deems it necessary or appropriate because of the level of market risk of the banking organization or to ensure safe and sound banking practices.³

The Board's market risk rule requires a subject banking organization to obtain the approval of the Board prior to (1) using any internal model to calculate its risk-based capital requirements under subpart F of the Board's Regulation Q; (2) including in its capital requirement for *de minimis* exposures the capital requirement for any *de minimis* exposures using alternative techniques that appropriately measure the market risk associated with those exposures; (3) including portfolios of equity positions in its incremental risk model if the banking organization measures the specific risk of a portfolio of debt positions using internal models; or (4) using the method specified in section 209(a) of Regulation Q to measure comprehensive risk for one or more portfolios of correlation trading positions. A subject banking organization also must obtain the prior approval of the Board for, and notify the Board if the banking organization makes any material changes to, the policies and procedures required by section 206(b)(3) of Regulation Q. Further, the market risk rule requires subject banking organizations to (1) have clearly defined policies and procedures for determining which trading assets and trading liabilities are trading positions and which trading positions are correlation trading positions; (2) have clearly defined trading and hedging strategies for trading positions; (3) retain certain financial and statistical information regarding the institution's Board-approved subportfolios of its portfolio exposures subject to the
