(j) Grace Period for Initial Replacement

For Group 1 airplanes: For a fire extinguisher percussion cartridge that, on the effective date of this AD, has a total life of 9 years 6 months or more, the replacement required by paragraph (h) of this AD can be deferred up to 6 months after the effective date of this AD.

(k) Parts Installation Limitations

For Group 1 and Group 2 airplanes: As of the effective date of this AD, no person may install, on any airplane, a fire extinguisher percussion cartridge, unless the part is a serviceable part as specified in this AD, and that, following installation, the affected part is replaced as required by paragraph (h) of this AD.

(l) Other FAA AD Provisions

The following provisions also apply to this AD:

(1) *Alternative Methods of Compliance (AMOCs)*: The Manager, International Section, Transport Standards Branch, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. In accordance with 14 CFR 39.19, send your request to your principal inspector or local Flight Standards District Office, as appropriate. If sending information directly to the International Section, send it to the attention of the person identified in paragraph (m)(2) of this AD. Information may be emailed to: 9-ANM-116-AMOC-REQUESTS@faa.gov. Before using any approved AMOC, notify your appropriate principal inspector, or lacking a principal inspector, the manager of the local flight standards district office/certificate holding district office.

(2) *Contacting the Manufacturer*: For any requirement in this AD to obtain corrective actions from a manufacturer, the action must be accomplished using a method approved by the Manager, International Section, Transport Standards Branch, FAA; or the European Aviation Safety Agency (EASA); or Dassault Aviation's EASA Design

Organization Approval (DOA). If approved by the DOA, the approval must include the DOA-authorized signature.

(m) Related Information

(1) Refer to Mandatory Continuing Airworthiness Information (MCAI) EASA AD 2019-0084, dated April 17, 2019, for related information. This MCAI may be found in the AD docket on the internet at <http://www.regulations.gov> by searching for and locating Docket No. FAA-2019-0604.

Sequence No. 1]

RIN 3090-AJ76

**Federal Management Regulation
(FMR); Utility Services**

AGENCY: Office of Government-wide Policy (OGP), General Services Administration (GSA).

ACTION: Proposed rule.

SUMMARY: GSA is proposing to amend the Federal Management Regulation part regarding utility services. The rule clarifies the authority an agency must have in order to procure utility services and describes in detail agencies' responsibilities concerning the procurement of such services. To better direct agencies that operate under a utility service delegation from GSA, the rule adds a reference to the section of the Federal Acquisition Regulation that addresses the acquisition of utility services and other procurement guidance. Additionally, the rule clarifies responsibilities for the Department of Defense and the Department of Energy for compliance.

DATES: Interested parties should submit written comments to the Regulatory Secretariat Division at one of the addresses shown below on or before October 15, 2019 to be considered in the formation of the final rule.

ADDRESSES: Submit comments in response to FMR Case 2016-102-3 by any of the following methods:

• *Regulations.gov*: <http://www.regulations.gov>. Submit comments via the Federal Rulemaking Portal by entering “FMR Case 2016–102–3.” under the heading “Enter Keyword or ID” and select “Search”. Select the link “Submit a Comment” that corresponds with “FMR Case 2016–102–3” and follow the instructions provided at the “Comment Now” screen. Please include your name, company name (if any), and “FMR Case 2016–102–3” on your attached document.

• *Mail*: General Services Administration, Regulatory Secretariat Division (MVCB), ATTN: Ms. Lois Mandell, 1800 F Street NW, Washington, DC 20405.

Instructions: Please submit comments only and cite FMR Case 2016–102–3, in all correspondence related to this case. All comments received will be posted without change to <http://www.regulations.gov>, including any personal and/or business confidential information provided. To confirm receipt of your comment(s), please check <http://www.regulations.gov> approximately two to three days after submission to verify posting (except allow 30 days for posting of comments submitted by mail).

SUPPLEMENTARY INFORMATION:

A. Background

This part was last revised and published in the **Federal Register** on November 8, 2005 (70 FR 67785). The currently proposed rule includes the following changes:

- Updating the regulation to both clarify the authority an agency must have and point the reader to the appropriate parts of the Federal Acquisition Regulation that relate to the acquisition of utility services;
- Clarifying agency, the Department of Defense, and the Department of Energy responsibilities regarding utility services.

B. Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is

necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule is a significant regulatory action and was subject to review under Section 6(b) of E.O. 12866. GSA has determined that this proposed rule is not a major rule under 5 U.S.C. 804.

C. Executive Order 13771

This proposed rule is not expected to be subject to the requirements of E.O. 13771 (82 FR 9339, February 3, 2017) because this proposed rule is expected to be related to agency organization, management, or personnel.

D. Regulatory Flexibility Act

This proposed rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* This proposed rule is also exempt from the Regulatory Flexibility Act pursuant to 5 U.S.C. 553(a)(2) because it applies to agency management.

E. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FMR do not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

F. Small Business Regulatory Enforcement Fairness Act

This proposed rule is exempt from Congressional review under 5 U.S.C. 801 since it relates solely to agency management and personnel.

Jessica Salmoiraghi,
Associate Administrator, Office of Government-wide Policy.

- For the reasons set forth in the preamble, GSA is proposing to revise 41 CFR part 102–82 to read as follows:

PART 102–82—UTILITY SERVICES

Subpart A—General Provisions

Sec.

102–82.5 What does this part cover?

102–82.10 What are the governing authorities for this part?

102–82.15 Who must comply with these provisions?

102–82.20 To whom do “we,” “you,” and their variants refer?

102–82.25 How do we request a deviation from the provisions of this part?

Subpart B—Utility Services

102–82.30 What authority must my agency have in order to procure utility service(s)?

102–82.35 Can Executive agencies enter into contracts for utility services?

102–82.40 What are Executive agencies’ rate intervention responsibilities?

Authority: 40 U.S.C. 121(c) and 40 U.S.C. 501.

Subpart A—General Provisions

§ 102–82.5 What does this part cover?

This part covers the procurement and management of public utility services. It does not cover utilities that are provided as part of a lease. For more information on the procurement of utility services, refer to Federal Acquisition Regulation (FAR) Part 41, Acquisition of Utility Services. For more information on the management of Utility Services, refer to 40 U.S.C. 501.

§ 102–82.10 What are the governing authorities for this part?

The authorities for this regulation are:

- (a) 40 U.S.C. 121(c);
- (b) 40 U.S.C. 501.

§ 102–82.15 Who must comply with these provisions?

All Executive agencies procuring, managing or supplying utility services under Title 40 of the United States Code, including GSA’s Public Buildings Service (PBS), Department of Defense, Department of Energy, and those agencies operating under, or subject to, the authorities of the Administrator of General Services must comply with these provisions. For information on a utility services delegation of authority, refer to part 102–72.100 of this chapter.

§ 102–82.20 To whom do “we,” “you,” and their variants refer?

Unless otherwise indicated, use of pronouns “we,” “you,” and their variants throughout this part refer to an Executive agency. Refer to part 102–71, General, of this chapter, for the definition of Executive agency.

§ 102–82.25 How do we request a deviation from the provisions of this part?

Refer to sections 102–2.60 through 102–2.110 of this chapter for information on how to obtain a deviation from this part.

Subpart B—Utility Services

§ 102–82.30 What authority must my agency have in order to procure utility service(s)?

If you do not have a delegation of authority issued by GSA to procure utility services, or independent authority for such procurements, you cannot procure utility services. The Secretary of Defense is independently authorized to take such actions without a delegation from GSA, when the Secretary determines such actions to be in the best interests of national security. For more information on a utility services delegation of authority refer to parts 102–72.100 and 102–72.105 of this chapter.

§ 102–82.35 Can Executive agencies enter into contracts for utility services?

Executive agencies, operating under a utility services delegation from GSA, or the Secretary of Defense, when the Secretary determines it to be in the best interests of national security, may enter into contracts for utility services (such as commodities and utility rebate programs), pursuant to the terms and conditions contained in the delegation and in accordance with FAR Part 41, Acquisition of Utility Services. FAR Part 41 requires that agencies provide or procure from sources of supply that are the most advantageous to the Federal Government in terms of economy, efficiency, reliability, or quality of service; while 40 U.S.C. 501(c) requires that agencies provide or procure such services with due regard to the mission responsibilities of the agencies concerned. For information on utility services delegation of authority refer to part 102–72 of this chapter, Delegation of Authority. For additional information on contracts for utility services search on the topics Utility or Energy on the Acquisition Gateway, <http://www.gsa.gov>.

§ 102–82.40 What are Executive agencies' rate intervention responsibilities?

Unless otherwise authorized by law, absent a delegation from GSA, Executive agencies must not engage in the types of representation referenced at 40 U.S.C. 501(c), Services for Executive agencies. The Secretary of Defense is independently authorized to take such actions without a delegation from GSA, when the Secretary determines such actions to be in the best interests of national security. Refer to part 102–71, General, for definitions of Executive agencies and state. For information on

delegation of authority refer to part 102–72, Delegation of Authority.

RIN 0970–AC77

Head Start Designation Renewal System

AGENCY: Office of Head Start (OHS), Administration for Children and Families (ACF), Department of Health and Human Services (HHS).

ACTION: Notice of proposed rulemaking.

SUMMARY: In this NPRM, we propose changes to two of the seven conditions of the Designation Renewal System for Head Start Grantees (DRS): The condition related to the Classroom Assessment Scoring System: Pre-K (CLASS) and the fiscal condition related to audit findings. For the CLASS condition, we propose to remove the lowest 10 percent criterion and set more rigorous minimum thresholds across all three domains that grantees must meet in order to avoid competition. For the fiscal condition, we propose to add a second criterion that would consider additional findings from annual audits. A grantee would be required to compete for continued funding if they met either criterion.

We also propose technical changes within part 1304 subpart B (Designation Renewal) to remove any outdated provisions to the regulation. These technical fixes were not included in the publication of the Head Start Program Performance Standards (performance standards) final rule in 2016 because the Designation Renewal section of the regulation was not open for amendment in the revision of the performance standards.

DATES: Submit either electronic or written comments by September 27, 2019.

ADDRESSES: You may submit comments, identified by [docket number and/or RIN number], by any of the following methods:

I. Background

Designation Renewal System

Since its inception in 1965, Head Start has been a leader in helping children from low-income families reach kindergarten more prepared to succeed in school. Through the *Improving Head Start for School Readiness Act of 2007* (the 2007 Reauthorization) amending the Head Start Act (the Act), Congress required the Department of Health and Human Services to ensure these children and
