

comments. It, therefore: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures,” paragraph 5–6.5.a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019, is amended as follows:

Paragraph 6002 Class E Airspace Areas Designated as a Surface Area

* * * * *

ASO AL E2 Huntsville, AL [Amended]

Huntsville International-Carl T. Jones Field, AL

(Lat. 34°38′14″ N, long. 86°46′30″ W)
Redstone AAF
(Lat. 34°40′43″ N, long. 86°41′05″ W)

Within a 5-mile radius of the Huntsville International-Carl T. Jones Field, excluding

that airspace within a 1-mile radius of the Redstone AAF. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

Paragraph 6003 Class E Airspace Areas Designated as an Extension to a Class C Surface Area

* * * * *

ASO AL E3 Huntsville, AL [Established]

Huntsville International-Carl T. Jones Field, AL

(Lat. 34°38′14″ N, long. 86°46′30″ W)
Huntsville International-Carl T. Jones Field: RWY 36L–LOC

(Lat. 34°39′20″ N, long. 86°46′55″ W)

That airspace extending upward from the surface within 1 mile each side of the 181° bearing from the Huntsville International-Carl T. Jones Field: RWY 36L–LOC extending from the 5-mile radius of the Huntsville International-Carl T. Jones Field to 6.3 miles south of the Huntsville International-Carl T. Jones Field: RWY 36L–LOC.

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth

* * * * *

ASO AL E5 Huntsville, AL [Amended]

Huntsville International-Carl T. Jones Field, AL

(Lat. 34°38′14″ N, long. 86°46′30″ W)
Huntsville International-Carl T. Jones Field: RWY 36L–LOC

(Lat. 34°39′20″ N, long. 86°46′55″ W)

Redstone AAF

(Lat. 34°40′43″ N, long. 86°41′05″ W)

Pryor Field Regional Airport, AL

(Lat. 34°39′15″ N, long. 86°56′43″ W)

Huntsville Executive Tom Sharp Jr. Field, AL

(Lat. 34°51′34″ N, long. 86°33′27″ W)

That airspace extending upward from 700 feet above the surface within a 7.5-mile radius of Huntsville International-Carl T. Jones Field, and within 3 miles each side of the 001° bearing from Huntsville International-Carl T. Jones Field extending from the 7.5-mile radius to 12.3 miles north of Huntsville International-Carl T. Jones Field, and within 1.3 miles each side of the 181° bearing from the Huntsville International-Carl T. Jones Field: RWY 36L–LOC extending from the 7.5 mile radius of Huntsville International-Carl T. Jones Field to 8.3 miles south of the Huntsville International-Carl T. Jones Field: RWY 36L–LOC, and within a 9.5-mile radius of Redstone AAF, and within a 7-mile radius of Pryor Field Regional Airport, and within a 6.3-mile radius of Huntsville Executive Tom Sharp Jr. Field.

Issued in Fort Worth, Texas, on September 11, 2019.

Johanna Forkner,

Acting Manager, Operations Support Group, ATO Central Service Center.

Coast Guard

33 CFR Part 100

[Docket Number USCG–2019–0634]

RIN 1625–AA08

Special Local Regulation; North Atlantic Ocean, Ocean City, MD

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing special local regulations for certain waters of the North Atlantic Ocean. This action is necessary to provide for the safety of life on these navigable waters located at Ocean City, MD, during a high-speed power boat racing event on September 29, 2019. This regulation prohibits persons and vessels from being in the regulated area unless authorized by the Captain of the Port Maryland-National Capital Region or Coast Guard Patrol Commander.

DATES: This rule is effective from 8:30 a.m. to 5:30 p.m. on September 29, 2019.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2019–0634 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Mr. Ron Houck, U.S. Coast Guard Sector Maryland-National Capital Region; telephone 410–576–2674, email Ronald.L.Houck@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
COTP Captain of the Port
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
PATCOM Coast Guard Patrol Commander
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

OPA Racing LLC of Brick Township, NJ, notified the Coast Guard that it will be conducting the Ocean City Grand Prix between 9:00 a.m. and 5:00 p.m. on September 29, 2019, along a designated, marked racetrack-type course located in the North Atlantic Ocean, at Ocean City, MD. In response, on August 23, 2019, the Coast Guard published a notice of

proposed rulemaking (NPRM) titled "Special Local Regulation; North Atlantic Ocean, Ocean City, MD" (84 FR 44263). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this power boat racing event. During the comment period that ended September 9, 2019, we received one comment.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to public interest because it would delay the safety measures necessary to respond to potential safety hazards associated with this marine event. Immediate action is needed protect participants, spectators, and other persons and vessels during the high-speed race event on these navigable waters.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041. The Captain of the Port Maryland-National Capital Region (COTP) has determined that potential hazards associated with the power boat racing event will be a safety concern for anyone intending to operate in or near the event area. The purpose of this rule is to protect event participants, spectators, and transiting vessels on specified waters of the North Atlantic Ocean before, during, and after the scheduled event.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received one comment on our NPRM published August 23, 2019. We thank the commenter for taking time to review the NPRM and submitting a comment regarding this action.

The commenter stated that the high-speed power boat racing event should be cancelled in order to not obstruct normal waterway operations and waste precious energy.

With few exceptions, normal waterway operations in the event area are recreational in nature that will be able to take place safely outside the regulated area. Waterway users that may be affected by the regulated area are well informed of this annually occurring offshore power boat racing event. Methods include Code of Federal Regulations, internet websites (<http://www.oparacing.org/oc.html>, <https://oceanacitymd.gov/oc/event/ocean-city-powerboat-grand-prix/>), regional boating publications (*i.e.*, PropTalk), social media (*i.e.*, Facebook), and local

media outlets (*i.e.*, The Dispatch), which include newspaper, radio and television. The part of the comment regarding energy is outside the scope of the rulemaking; the regulated area is established to provide for waterway safety.

There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a special local regulation to be enforced from 8:30 a.m. to 5:30 p.m. on September 29, 2019. The regulated area will cover all navigable waters of the North Atlantic Ocean, within an area bounded by the following coordinates: Commencing at a point near the shoreline at latitude 38°21'42" N, longitude 075°04'11" W, thence east to latitude 38°21'33" N, longitude 075°03'10" W, thence southwest to latitude 38°19'25" N, longitude 075°04'02" W, thence west to the shoreline at latitude 38°19'35" N, longitude 075°05'02" W, at Ocean City, MD. The duration of the special local regulations and size of the regulated area are intended to ensure the safety of life on these navigable waters before, during, and after the power boat racing event, scheduled from 9:00 a.m. until 5:00 p.m. on September 29, 2019.

Except for participants and vessels already at berth, a vessel or person will be required to get permission from the COTP or PATCOM before entering the regulated area. Vessel operators can request permission to enter and transit through the regulated area by contacting the PATCOM on VHF-FM channel 16. Vessel traffic will be able to safely transit the regulated area once the PATCOM deems it safe to do so. A person or vessel not registered with the event sponsor as a participant or assigned as official patrols will be considered a spectator. Official Patrols are any vessel assigned or approved by the Commander, Coast Guard Sector Maryland-National Capital Region with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

If permission is granted by the COTP or PATCOM, a person or vessel will be allowed to enter the regulated area or pass directly through the regulated area as instructed. Vessels will be required to operate at a safe speed that minimizes wake while within the regulated area. Official patrol vessels will direct spectator vessels while within the regulated area. Only participant vessels and official patrol vessels will be allowed to enter the race area.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and

Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, duration and location of the regulated area. Vessel traffic will be able to safely transit around this regulated area, which would impact a small designated area of the North Atlantic Ocean for 9 hours. The Coast Guard will issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the status of the regulated area. Moreover, the rule will allow vessels to seek permission to enter the regulated area, and vessel traffic will be able to safely transit the regulated area once the PATCOM deems it safe to do so.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement

Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires

Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves implementation of regulations within 33 CFR part 100 applicable to organized marine events on the navigable waters of the United States. The temporary regulated area will be in effect for nine hours. It is categorically excluded from further review under paragraph L61 in Table 3–1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1. A Memorandum for the Record supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 46 U.S.C. 70041; 33 CFR 1.05–1.

■ 2. Add § 100.501T05–0634 to read as follows:

§ 100.501T05–0634 Special Local Regulation; North Atlantic Ocean, Ocean City, MD.

(a) *Locations.* All coordinates reference Datum NAD 1983.

(1) *Regulated area.* All navigable waters of the North Atlantic Ocean, within an area bounded by the following coordinates: Commencing at a point near the shoreline at position latitude 38°21'42" N, longitude 075°04'11" W; thence east to latitude 38°21'33" N, longitude 075°03'10" W; thence southwest to latitude 38°19'25" N, longitude 075°04'02" W; thence west to the shoreline at latitude 38°19'35" N, longitude 075°05'02" W, at Ocean City, MD. The race area, buffer area, and spectator area are within the regulated area.

(2) *Race area.* The race area is a polygon in shape measuring approximately 3,500 yards in length by 350 yards in width. The area is bounded by a line commencing at position latitude 38°19'46.85" N, longitude 075°04'43.28" W, thence east to latitude 38°19'44.23" N, longitude 075°04'29.89" W, thence north and parallel to Ocean City, MD shoreline to latitude 38°21'23.24" N, longitude 075°03'48.87" W, thence west to latitude 38°21'25.12" N, longitude 075°04'02.45" W; thence south to the point of origin.

(3) *Buffer zone.* The buffer zone is a polygon in shape measuring approximately 500 yards in all directions surrounding the entire race area described in paragraph (a) of this section. The area is bounded by a line commencing at a point near the shoreline at position latitude 38°21'42" N, longitude 075°04'11" W; thence east to latitude 38°21'35" N, longitude 075°03'24" W; thence southwest to latitude 38°19'28" N, longitude 075°04'17" W; thence west to the shoreline at latitude 38°19'35" N, longitude 075°05'02" W, at Ocean City, MD.

(4) *Spectator area.* The designated spectator area is a polygon in shape measuring approximately 3,500 yards in length by 350 yards in width. The area is bounded by a line commencing at position latitude 38°19'40" N, longitude 075°04'12" W, thence east to latitude 38°19'37" N, longitude 075°03'59" W, thence northeast to latitude 38°21'17" N, longitude 075°03'17" W, thence west to latitude 38°21'20" N, longitude 075°03'31" W, thence southwest to point of origin.

(b) *Definitions.* As used in this section:

Buffer zone is a neutral area that surrounds the perimeter of the Race Area within the regulated area described by this section. The purpose of a buffer

zone is to minimize potential collision conflicts with marine event participants or race boats and spectator vessels or nearby transiting vessels. This area provides separation between a Race Area and a specified Spectator Area or other vessels that are operating in the vicinity of the regulated area established by the special local regulations.

Captain of the Port (COTP) Maryland-National Capital Region means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region or any Coast Guard commissioned, warrant or petty officer who has been authorized by the COTP to act on his behalf.

Coast Guard Patrol Commander (PATCOM) means a commissioned, warrant, or petty officer of the U.S. Coast Guard who has been designated by the Commander, Coast Guard Sector Maryland-National Capital Region.

Official patrol means any vessel assigned or approved by Commander, Coast Guard Sector Maryland-National Capital Region with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

Participant means a person or vessel registered with the event sponsor as participating in the Ocean City Grand Prix or otherwise designated by the event sponsor as having a function tied to the event.

Race area is an area described by a line bound by coordinates provided in latitude and longitude that outlines the boundary of a race area within the regulated area defined by this section.

Spectator means a person or vessel not registered with the event sponsor as participants or assigned as official patrols.

(c) *Special local regulations.* (1) The COTP Maryland-National Capital Region or PATCOM may forbid and control the movement of all vessels and persons, including event participants, in the regulated area. When hailed or signaled by an official patrol, a vessel or person in the regulated area shall immediately comply with the directions given by the patrol. Failure to do so may result in the Coast Guard expelling the person or vessel from the area, issuing a citation for failure to comply, or both. The COTP Maryland-National Capital Region or PATCOM may terminate the event, or a participant's operations at any time the COTP Maryland-National Capital Region or PATCOM believes it necessary to do so for the protection of life or property.

(2) Except for participants and vessels already at berth, a person or vessel within the regulated area at the start of enforcement of this section must immediately depart the regulated area.

(3) A spectator must contact the PATCOM to request permission to either enter or pass through the regulated area. The PATCOM, and official patrol vessels enforcing this regulated area, can be contacted on marine band radio VHF-FM channel 16 (156.8 MHz) and channel 22A (157.1 MHz). If permission is granted, the spectator must pass directly through the regulated area as instructed by PATCOM. A vessel within the regulated area must operate at safe speed that minimizes wake.

(4) Only participant vessels and official patrol vessels are allowed to enter the race area.

(5) A person or vessel that desires to transit, moor, or anchor within the regulated area must obtain authorization from the COTP Maryland-National Capital Region or PATCOM. A person or vessel seeking such permission can contact the COTP Maryland-National Capital Region at telephone number 410-576-2693 or on Marine Band Radio, VHF-FM channel 16 (156.8 MHz) or the PATCOM on Marine Band Radio, VHF-FM channel 16 (156.8 MHz).

(6) The Coast Guard will publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue a marine information broadcast on VHF-FM marine band radio announcing specific event date and times.

(d) *Enforcement officials.* The Coast Guard may be assisted with marine event patrol and enforcement of the regulated area by other Federal, State, and local agencies.

(e) *Enforcement period.* This section will be enforced from 8:30 a.m. to 5:30 p.m. on September 29, 2019.

Dated: September 12, 2019.

Joseph B. Loring,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2019-0782]

RIN 1625-AA00

Safety Zone; Delaware Bay and River, PA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on

the navigable waters of the Delaware Bay and River to restrict and protect vessel traffic during the transit of Post-Panamax gantry cranes from the Atlantic Ocean to the Port of Philadelphia. This action is intended to protect mariners and vessels from the hazards associated with the transportation of these large cranes. Entry of vessels or persons into this zone will be prohibited unless a vessel meets the stated requirements or is specifically authorized by the Captain of the Port Delaware Bay. This rule compliments a safety zone found in docket number USCG-2019-0784 addressing safety risks while the vessel carrying the cranes is moored at the Port of Philadelphia.

DATES: This rule is effective without actual notice from September 18, 2019 through October 15, 2019. For the purposes of enforcement, actual notice will be used from September 14, 2019 through September 18, 2019.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2019-0782 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Petty Officer Edmund Ofalt, U.S. Coast Guard Sector Delaware Bay, Waterways Management Branch; telephone (215) 271-4889, email Edmund.J.Ofalt@uscg.mil.

II. Background Information and Regulatory History

The M/V ZHEN HUA 26 is transporting post-Panamax gantry cranes to ports within the United States. These large cranes extend beyond the width of M/V ZHEN HUA 26 on both sides of the vessel and create a navigational hazard to vessels operating within a certain proximity. The cranes are fastened in a manner that facilitates passage through the open ocean. Upon arrival to the Delaware River, M/V ZHEN HUA 26 will transit to anchorage and begin an approximately four day process of removing the sea fastenings. The M/V ZHEN HUA 26 will then proceed, conditions permitting, to berth
