

of Alaska, at least three departments could be cooperating agencies due to their expertise and involvement in evaluations for this type of permit application. These departments include the Alaska Departments of Fish and Game, Environmental Conservation, and Natural Resources. Locally, the City and Borough of Juneau could be a cooperating agency as the Mine is within its boundaries and it issues permits for certain facilities at the Mine. The Tongass National Forest will conduct an effort to formally identify cooperating agencies.

Responsible Official

The responsible official for the decision on this project is the Forest Supervisor, Tongass National Forest, Federal Building, 648 Mission Street, Ketchikan, Alaska 99901.

Nature of Decision To Be Made

The Forest Supervisor is the responsible official for this action and will decide whether to amend the approved Plan of Operations. The decision will be based on information that is disclosed in the Final SEIS. The responsible official will consider the comments, responses, disclosure of environmental consequences, and applicable laws, regulations, and policies in deciding whether to amend the Plan of Operations and will state the rationale for the decision in the record of decision.

Scoping Process

This Notice of Intent initiates the scoping process, which guides the development of the SEIS through internal and external input on the issues, impacts, and alternatives to consider. The Forest Service will invite the public to participate in scoping meetings in Juneau and Haines, Alaska. These meetings will be posted on the Forest's website at <https://www.fs.usda.gov/project/?project=55533> and will be advertised in the Juneau Empire and the Ketchikan Daily News, newspapers of record, to announce the date, time, place, and purpose of the public scoping meetings.

Forest Service regulations at 36 CFR 218 subparts A and B, regarding the project-level predecisional administrative review process, apply to projects and activities implementing land management plans that are not authorized under the Healthy Forest Restoration Act. Only individuals or entities who submit timely and specific written comments concerning the project during this or another designated public comment period established by the responsible official

will be eligible to file on objection. It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the SEIS. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions.

Names of commenters and comments received in response to this solicitation will be part of the public record for this proposed action. Comments submitted anonymously will be accepted and considered, however, anonymous commenters will not gain standing to object as defined in 36 CFR 218.2.

Dated: August 15, 2019.

Richard A. Cooksey,

Acting Associate Deputy Chief, National Forest System.
