### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From: Securities and Exchange*

Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

#### Extension:

Rule 10b-10, SEC File No. 270-389, OMB Control No. 3235-0444.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 10b-10 (17 CFR 240.10b-10) under the Securities and Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 10b-10 requires broker-dealers to convey specified information to customers regarding their securities transactions. This information includes the date and time of the transaction, the identity and number of shares bought or sold, and whether the broker-dealer acts as agent for the customer or as principal for its own account. Depending on whether the broker-dealer acts as agent or principal, Rule 10b-10 requires the disclosure of commissions, as well as mark-up and mark-down information. For transactions in debt securities, Rule 10b-10 requires the disclosure of redemption and yield information. Rule 10b-10 potentially applies to all of the approximately 3,750 firms registered with the Commission that effect transactions for or with customers.

Based on information provided by registered broker-dealers to the Commission in FOCUS Reports, the Commission staff estimates that on average, registered broker-dealers process approximately 18,843,624,843 order tickets per year for transactions for or with customers. Each order ticket representing a transaction effected for or with a customer generally results in one confirmation. Therefore, the Commission staff estimates that approximately 18,843,624,843 confirmations are sent to customers annually. The confirmations required by Rule 10b-10 are generally processed through automated systems. It takes approximately 30 seconds to generate and send a confirmation. Accordingly, the Commission staff estimates that broker-dealers spend approximately 157,030,207 hours per year complying with Rule 10b-10 (18,843,624,843 × .5 ÷ 60).

The amount of confirmations sent and the cost of sending each confirmation varies from firm to firm. Smaller firms generally send fewer confirmations than larger firms because they effect fewer transactions. The Commission staff

estimates the costs of producing and sending a paper confirmation, including postage, to be approximately 63 cents. The Commission staff also estimates that the cost of producing and sending a wholly electronic confirmation is approximately 39 cents. Based on informal discussions with industry participants, as well as representations made in requests for exemptive and no-action letters relating to Rule 10b-10, the staff estimates that broker-dealers used electronic confirmations for approximately 35 percent of transactions. Based on these calculations, Commission staff estimates that 12,248,356,148 paper confirmations are mailed each year at a cost of \$7,716,464,373. Commission staff also estimates that 6,595,268,695 wholly electronic confirmations are sent each year at a cost of \$2,572,154,791. Accordingly, Commission staff estimates that the total annual cost associated with generating and delivering to investors the information required under Rule 10b-10 would be \$10,288,619,164.

#### Extension:

Rule 15Bc3–1 and Form MDSW—Withdrawal from Registration of Municipal Securities Dealers, SEC File No. 270–93, OMB Control No. 3235–0087.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 15Bc3–1 (17 CFR 240.15Bc3–1) and Form MSDW (17 CFR 249.1110) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

<sup>4</sup> See Securities Exchange Act Release No. 86390 (July 16, 2019), 84 FR 35169.

<sup>5</sup> See Letter to Vanessa Countryman, Secretary, Commission, from Ellen Greene, Managing Director, Securities Industry and Financial Markets Association, dated August 27, 2019.

<sup>6</sup> See Securities Exchange Act Release No. 86832, 84 FR 46980 (September 6, 2019).

<sup>7</sup> 17 CFR 200.30–3(a)(12).

Rule 15Bc3–1 provides that a notice of withdrawal from registration with the Commission as a bank municipal securities dealer must be filed on Form MSDW. The Commission uses the information contained in Form MSDW in determining whether it is in the public interest to permit a bank municipal securities dealer to withdraw its registration. This information is also important to the municipal securities dealer’s customers and to the public, because it provides, among other things, the name and address of a person to contact regarding any of the municipal securities dealer’s unfinished business.

Based upon past submissions of one filing in 2016, two filings in 2017, zero filings in 2018, and one filing so far in 2019, the staff estimates that, on an annual basis, approximately one bank municipal securities dealer will file a notice of withdrawal from registration with the Commission as a bank municipal securities dealer on Form MSDW. The staff estimates that the average number of hours necessary to comply with the notice requirements set out in Rule 15Bc3–1 and Form MSDW is 0.5 per respondent, for a total burden of 0.5 hours per year. The staff estimates that the average internal compliance cost per hour is approximately \$417.<sup>1</sup> Therefore, the estimated total annual cost of compliance is approximately \$209 per year (0.5 hours/year × \$417/hour = \$208.5/year, rounded up to \$209).

Rule 15Bc3–1 does not contain an explicit recordkeeping requirement, but the instructions for filing Form MSDW state that an exact copy should be retained by the registrant. Providing the information on the application is mandatory in order to withdraw from registration with the Commission as a bank municipal securities dealer. The information contained in the notice will not be kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number. <sup>1</sup> The estimate of \$417 per hour is for a compliance attorney, based on the Securities Industry and Financial Markets Association’s Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and inflation, and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.
