SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2), notice is hereby given that the Secretary of Agriculture intends to renew the FVIAC for two years. The purpose of the FVIAC is to examine the full spectrum of issues

faced by the fruit and vegetable industry and provide suggestions and ideas to the Secretary on how USDA can tailor its programs to better meet the fruit and vegetable industry's needs.

The Deputy Administrator of the AMS Specialty Crops Program serves as the FVIAC Executive Secretary. Representatives from USDA mission areas and agencies affecting the fruit and vegetable industry could be called upon to participate in the FVIAC's meetings as determined by the FVIAC Executive Secretary and the FVIAC.

Industry members are appointed by the Secretary of Agriculture and serve 2-year terms, with a maximum of three 2-year terms. The Secretary of Agriculture appointed 25 members last year. Two members have reached their term limit and one member is no longer serving. The remaining 22 members will continue to serve for one additional term. The Secretary of Agriculture will appoint known or upcoming vacancies to serve a 2-year term of office beginning March 27, 2020 and ending March 26, 2022. Nominations received that could fill future unexpected vacancies in any of the position categories will be held as a pool of candidates that the Secretary of Agriculture can draw upon as replacement appointees if unexpected vacancies occur. A person appointed to fill a vacancy will serve for the remainder of the 2-year term of the vacant position. The Secretary of Agriculture invites those individuals, organizations, and groups affiliated with the categories listed in the **SUMMARY** section to nominate individuals or themselves for membership on the FVIAC.

The full Committee expects to meet at least twice a year in-person (or by teleconference), and the meetings will be announced in the **Federal Register**. FVIAC workgroup/subcommittees will meet as deemed necessary by the chairperson and may meet through teleconference or by computer-based conferencing. Subcommittees may invite technical experts to present information for consideration by the subcommittee. The subcommittee meetings will not be announced in the **Federal Register**. All data and records available to the full Committee are expected to be available to the public when the full Committee reviews and approves the work of the subcommittee. Members must be prepared to work

outside of scheduled Committee and subcommittee meetings and may be required to assist in document preparation. Committee members serve on a voluntary basis; however, travel expenses and per diem reimbursement are available.

The Secretary of Agriculture seeks a diverse group of members representing a broad spectrum of persons interested in providing suggestions and ideas on how USDA can tailor its programs to meet the fruit and vegetable industry's needs. Equal opportunity practices will be followed in all appointments to the FVIAC in accordance with USDA policies. To ensure that FVIAC recommendations take into account the needs of the diverse groups served by USDA, membership shall include, to the extent practicable, individuals with demonstrated ability to represent minorities, women, person with disabilities and limited resource agriculture producers.
