CIVIL RIGHTS COMMISSION

Sunshine Act Meeting Notice

AGENCY: United States Commission on Civil Rights.

ACTION: Notice of Commission public briefing, *Subminimum Wages: Impacts on the Civil Rights of People with Disabilities*.

DATES: Friday, November 15, 2019, 9:00 a.m. Eastern Time (ET).

ADDRESSES: Place: National Place Building, 1331 Pennsylvania Ave. NW, Suite 1150, Washington, DC 20245 (Entrance on F Street NW).

FOR FURTHER INFORMATION CONTACT: Brian Walch, (202) 376-8371; TTY: (202) 376-8116; publicaffairs@usccr.gov.

SUPPLEMENTARY INFORMATION: Pursuant to the Government in the Sunshine Act, 5 U.S.C. 552b, the U.S. Commission on Civil Rights will hold a public briefing to examine the exemption under the Fair Labor Standards Act—the section 14(c) waiver program—which permits employers to pay less than the minimum wage to individuals with disabilities. In April 2018, the U.S. Department of Labor reported that more than 1,800 employers held a waiver of minimum wage requirements, affecting at least some 150,000 workers. Reliable reports indicate that many employers with 14(c) certificates pay far below prevailing or minimum wage while segregating these employees from the non-disabled workforce. The Commission will investigate whether this violates the civil rights of people with disabilities. The Commission will analyze the use of the 14(c) waiver program, its effect on people with disabilities, and oversight by the Departments of Labor and Justice.

This briefing is open to the public. We will offer an open comment session in which members of the public will have an opportunity to address the Commission; detailed information, including on registering for a three-minute speaking slot, can be viewed here. Individuals may attend the briefing without the need to confirm attendance or RSVP.

The event will also live-stream. (Information subject to change.) There will also be a public call-in line (listen-only): 800-822-2024, conference ID: 8561700. If attending in person, we ask that you RSVP to publicaffairs@usccr.gov. Persons with disabilities who need accommodation should contact Pamela Dunston at 202-376-8105 or at access@usccr.gov at least seven business days before the date of the meeting.

The Commission welcomes the submission of additional material for consideration as we prepare our report; please submit to subminimumwages@usccr.gov no later than December 15, 2019. Stay abreast of updates at www.usccr.gov and on Twitter and Facebook.

SUPPLEMENTARY INFORMATION: The Federal Data Strategy offers a ten-year vision for how the Federal Government will accelerate the use of data to support the foundations of democracy, deliver on mission, serve the public, and steward resources while protecting security, privacy, and confidentiality. The Strategy supports a coordinated approach to Federal data stewardship by establishing more consistent and integrated data infrastructure and data practices in order to more fully leverage the value of data as a strategic asset.

In keeping with the Strategy, the Foundations for Evidence-Based Policymaking Act of 2018 (the Act), § 101(a)(2) (5 U.S.C. 315(a)) directed the OMB Director, or head of an agency designated by the Director, to establish an Advisory Committee on Data for Evidence Building (Advisory Committee). Pursuant to Section 9(a)(1) of the Federal Advisory Committee Act (FACA) (5 U.S.C., App.), and in accordance with Title 41, Code of Federal Regulations, § 102-3.50(a), notice is hereby given that the Advisory Committee will be established and will terminate not later than two years after the date of the first meeting.

Pursuant to authority granted in the Office of Management and Budget (OMB) letter dated September 3, 2019, the Advisory Committee will be administered and managed by the Department of Commerce Office of the Under Secretary for Economic Affairs (OUSEA).

The Advisory Committee will review, analyze, and make recommendations on how to promote the use of Federal data for evidence building. Duties include:

(1) Assisting the OMB Director in carrying out the duties outlined under part D of subchapter III of chapter 35 of title 44 (which concerns access to data for evidence);

(2) evaluating and providing recommendations to the OMB Director on how to facilitate data sharing, enable data linkage, and develop privacy enhancing techniques; and

(3) reviewing the coordination of data sharing or availability for evidence building across all agencies.

The Advisory Committee will submit to the OMB Director, and make publicly available, an annual report on its activities and findings.

The establishment of the Advisory Committee is necessary for the Office of Management and Budget to carry out its mission and is in the public interest. The Advisory Committee will operate in

accordance with the provisions of the Foundations for Evidence-Based Policymaking Act of 2018 and the FACA and the rules and regulations issued in implementation of the FACA.

The Chief Statistician of the United States shall serve as the Chair of the Advisory Committee. Members of the Advisory Committee from Federal agencies will be sourced separately from this Notice and will be appointed by the Director of OMB. These Federal members are as follows: One agency Chief Information Officer; one agency Chief Privacy Officer; one agency Chief Performance Officer; three members who are agency Chief Data Officers; three members who are agency Evaluation Officers; three members who are agency Statistical Officials who are members of the Interagency Council for Statistical Policy established under section 3504(e)(8) of title 44.

The U.S. Department of Commerce Office of the Under Secretary for Economic Affairs is hereby soliciting nominations for the *non-Federal* members of the Advisory Committee. In addition to the members listed above, the Director of OMB will appoint at least 10 committee members from *non-Federal* sources. As required by the Act, these members will be sourced from State and local governments and nongovernmental stakeholders with expertise in government data policy, privacy, technology, transparency policy, evaluation and research methodologies, and other relevant subjects, of whom—

The Advisory Committee is expected to meet a minimum of three times per year, with the possibility of additional meetings as the Chair may determine.

Subcommittees may be formed to address specific issues. Subcommittees will report directly to the Advisory Committee.

Because non-Federal Advisory Committee members will serve as Special Government Employees, they will be subject to certain ethical restrictions and required to submit certain information in connection with the appointment process. An ethics

review is conducted for each selected nominee; therefore, individuals selected for nomination will be required to provide detailed information concerning such matters as financial holdings, consultancies, and research grants or contracts to permit evaluation of possible sources of conflict of interest.

Certain New Pneumatic Off-the-Road Tires From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2017–2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that Weihai Zhongwei Rubber Co., Ltd. (Zhongwei), an exporter of certain new pneumatic off-the-road tires (OTR tires) from the People's Republic of China (China), did not sell merchandise in the United States at prices below normal value during the period of review (POR) September 1, 2017 through August 31, 2018.

DATES: Applicable November 6, 2019.

FOR FURTHER INFORMATION CONTACT: Keith Haynes, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401

Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–5139.

SUPPLEMENTARY INFORMATION:

Background

Commerce published the *Preliminary Results* of this administrative review on August 23, 2019.¹ We invited interested parties to comment on the *Preliminary Results*; however, no interested party submitted comments.

Scope of the Order

The merchandise covered by this order includes new pneumatic tires designed for off-the-road and off-highway use, subject to certain exceptions. The subject merchandise is currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 4011.20.10.25, 4011.20.10.35, 4011.20.50.30, 4011.20.50.50, 4011.61.00.00, 4011.62.00.00, 4011.63.00.00, 4011.69.00.00, 4011.92.00.00, 4011.93.40.00, 4011.93.80.00, 4011.94.40.00, and 4011.94.80.00. The HTSUS subheadings are provided for convenience and customs purposes only; the written product description of the scope of the order is dispositive. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.²

Separate Rates

In our *Preliminary Results*, Commerce determined that information placed on the record by Zhongwei and Qingdao Honghua Tyre Factory (Honghua) demonstrates that these companies are entitled to separate rate status,³ which we preliminarily granted.⁴ We received no comments since the issuance of the *Preliminary Results* that provide a basis for reconsidering the determination with respect to the separate rate status of these entities. Therefore, for the final results, we continue to find that Zhongwei and Honghua are eligible for a separate rate.

Changes Since the Preliminary Results

As noted above, we received no comments in response to the *Preliminary Results*. Accordingly, for

⁴ See *Preliminary Results*, PDM at 9–13.

the purposes of these final results, Commerce has made no changes to the *Preliminary Results*.

Final Results of the Review

Commerce determines that the following weighted-average dumping margins exist for the POR from September 1, 2017 through August 31, 2018:

Exporter	Weighted-average dumping margin (percent)
Weihai Zhongwei Rubber Co., Ltd	0.00
Qingdao Honghua Tyre Factory	0.00

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.⁵ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the China-wide entity. Because no party requested a review of the China-wide entity in this review, and we did not self-initiate a review, the entity is not under review and the entity's rate is not subject to change (*i.e.*, 105.31 percent).⁶

Where the rates for the individually examined companies are all zero, *de minimis*, or based entirely on facts available, section 735(c)(5)(B) of the Tariff Act of 1930, as amended (the Act) provides that Commerce may use "any reasonable method" to establish the all-others rate. As the margin calculated for the mandatory respondent, Zhongwei, is zero, we assigned Honghua, the sole separate-rate respondent not selected for individual examination in this review, a separate rate margin based on Zhongwei's weighted-average dumping margin, which we find to be reasonable and consistent with practice.⁷
