DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Eunice Kennedy Shriver National Institute of Child Health & Human Development; Notice of Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the Board of Scientific Counselors, NICHD.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meeting will be closed to the public as indicated below in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended for the review, discussion, and evaluation of individual intramural programs and projects conducted by the Eunice Kennedy Shriver National Institute of Child Health & Human Development, including consideration of personnel qualifications and performance, and the competence of individual investigators, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Board of Scientific Counselors, NICHD.

Date: December 6, 2019.

Open: 8:30 a.m. to 11:45 a.m.

Agenda: A report by the Scientific Director, NICHD, on the status of the NICHD Division of Intramural Research; talks by various intramural scientists, and current organizational structure.

Place: National Institutes of Health, Building 31A, 31 Center Drive, Room 2A48, Bethesda, MD 20892.

Closed: 11:45 a.m. to 4:00 p.m.

Agenda: To review and evaluate personnel qualifications and performance, and competence of individual investigators.

Place: National Institutes of Health, Building 31A, 31 Center Drive, Room 2A48, Bethesda, MD 20892.

Contact Person: Constantine A. Stratakis, MD, D(med)Sci, Scientific Director, Acting Director, Division of Intramural Population Health Research (DIPHR), Eunice Kennedy Shriver National Institute of Child Health and Human Development, NIH, 9000 Rockville Pike, Building 31A, Room 2A46, Bethesda, MD 20892, 301–5984, *stratakc@mail.nih.gov*.

Information is also available on the Institute's/Center's home page: https:// www.nichd.nih.gov/about/meetings/Pages/ index.aspx, where an agenda and any additional information for the meeting will be posted when available.

(Catalogue of Federal Domestic Assistance Program Nos. 93.864, Population Research; 93.865, Research for Mothers and Children; 93.929, Center for Medical Rehabilitation Research; 93.209, Contraception and Infertility Loan Repayment Program, National Institutes of Health, HHS)

Dated: November 1, 2019.

Ronald J. Livingston, Jr.,

Program Analyst, Office of Federal Advisory Committee Policy.

Coast Guard

[Docket No. USCG-2010-1066]

Recreational Boating Safety Projects, Programs, and Activities Funded Under Provisions of the Fixing America's Surface Transportation Act; Fiscal Year 2019

ACTION: Notice.

SUMMARY: The Coast Guard is publishing this notice to satisfy a requirement of the Fixing America's Surface Transportation Act that requires a detailed accounting of the projects, programs, and activities funded under the national recreational boating safety program provision of the Act be published annually in the **Federal Register**. This notice specifies the funding amounts the Coast Guard has committed, obligated, or expended during fiscal year 2019, as of September 30, 2019.

FOR FURTHER INFORMATION CONTACT: For questions on this notice please contact

Mr. Jeffrey Decker, U.S. Coast Guard, Regulations Development Manager, (202) 372–1507.

SUPPLEMENTARY INFORMATION:

Background and Purpose

Since 1998, Congress has passed a series of laws providing funding for projects, programs, and activities funded under the national recreational boating safety program, which is administered by the U.S. Coast Guard. For a detailed description of the legislative history, please see the Recreational Boating Safety Projects, Programs, and Activities Funded Under Provisions of the Fixing America's Surface Transportation Act; Fiscal Year 2016 Notice published in the **Federal Register** on April 12, 2017 (82 FR 17671).

These funds are available to the Secretary from the Sport Fish **Restoration and Boating Trust Fund** (Trust Fund) established under 26 U.S.C. 9504(a) for payment of Coast Guard expenses for personnel and activities directly related to coordinating and carrying out the national recreational boating safety program. Amounts made available under this subsection remain available during the two succeeding fiscal years. Any amount that is unexpended or unobligated at the end of the 3-year period during which it is available, shall be withdrawn by the Secretary and allocated to the States in addition to any other amounts available for allocation in the fiscal year in which they are withdrawn or the following fiscal year.

Use of these funds requires compliance with standard Federal contracting rules with associated lead and processing times resulting in a lag time between available funds and spending. The total amount of funding transferred to the Coast Guard from the Trust Fund, and committed, obligated, and/or expended during fiscal year 2019 for each project is shown below.

Specific Accounting of Funds

The total amount of funding transferred to the Coast Guard from the Sport Fish Restoration and Boating Trust Fund and committed, obligated, and/or expended during fiscal year 2019 for each project is shown in the chart below.

Project	Description	Cost
46 U.S.C. 43 Compliance: Inspection Pro- gram/Boat Testing Program.	Provided for continuance of the national recreational boat compliance inspection program, which began in January 2001.	\$2,456,799
46 U.S.C. 43 Compliance: Staff Salaries		585,586
and Travel. Administrative Overhead	quirements. Office supplies	109,101

Boating Accident Report Database (BARD) Web System.	Provided for maintaining the BARD Web System, which enables reporting authori- ties in the 50 States, five U.S. Territories, and the District of Columbia to submit their accident reports electronically over a secure Internet connection.	250,136
Contract Personnel Support	Provided contract personnel to conduct boating safety-related research and anal- ysis.	672,553
National Boating Safety Advisory Council	Provided for member travel and meeting costs for the National Boating Safety Advi- sory Council meetings.	60,975
Grant Management Training	Provided to facilitate staff training on new grant management requirements	109.531
Recreational Boating Safety Program Travel.	Provided for travel by employees of the Boating Safety Division to gather back- ground and planning information for new recreational boating safety initiatives.	168,301
Reimbursable Salaries	Provided for 18 personnel directly related to coordinating and carrying out the na- tional recreational boating safety program.	2,396,677
Survey	Provided for collecting data to support the National Recreational Boating Survey	469,641

Of the \$8.168 million made available to the Coast Guard in fiscal year 2019, \$1,971,866 has been committed, obligated, or expended and an additional \$5,307,440 of prior fiscal year funds have been committed, obligated, or expended, as of September 30, 2019. The remainder of the FY18 and FY19 funds made available to the Coast Guard (approximately \$6,231,389) may be retained for the allowable period for the National Recreational Boating Survey, other projects, or transferred into the pool of money available for allocation through the state grant program.

Project

Authority

This notice is issued pursuant to 5 U.S.C. 552 and 46 U.S.C. 13107(c)(4).

Dated: October 31, 2019.

D.C. Barata,

Captain, U.S. Coast Guard, Director of Inspections & Compliance. [FR Doc. 2019–24297 Filed 11–6–19; 8:45 am]

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2018-0006; OMB No. 1660-0103]

Agency Information Collection Activities: Submission for OMB Review; Comment Request; Property Acquisition and Relocation for Open Space

AGENCY: Federal Emergency Management Agency, DHS. **ACTION:** Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency will submit the information collection described below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. This information

collection concerns the property acquisition and relocation for open space process as part of the administration of FEMA's mitigation grant programs, and the withdrawal of three previously proposed forms (FEMA Form 086-0-31a, FEMA Form 086-0-31b. and FEMA Form 086–0–31c) from the information collection included in the initial 60-day public comment period regarding the Severe Risk Property Acquisition (SRPA) direct grant to property owners for acquisition and demolition of severe repetitive loss structures. After reviewing all the comments submitted, FEMA has determined there is no need for SRPA direct grant-related forms at this time. At this time. FEMA has decided not to implement the SRPA direct to property owners grant.

DATES: Comments must be submitted on or before January 6, 2020.

ADDRESSES: Submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the Desk Officer for the Department of Homeland Security, Federal Emergency Management Agency, and sent via electronic mail to *dhsdeskofficer@ omb.eop.gov.*

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection should be made to Jennie Orenstein, Grants Policy Branch Chief, FIMA, FEMA, (202) 212–4071, or the Records Management Division, email address: *FEMA-Information-Collections-Management@fema.dhs.gov.*

SUPPLEMENTARY INFORMATION:

Regulations at 44 CFR part 80 govern property acquisitions for the creation of open space under FEMA's three hazard mitigation assistance (HMA) grant programs: The Pre-Disaster Mitigation program (PDM) and Hazard Mitigation Grant Program (HMGP), authorized

under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, 42 U.S.C. 5121-5207; and the Flood Mitigation Assistance Program (FMA) authorized under the National Flood Insurance Act (NFIA) of 1968, as amended, 42 U.S.C. 4001 et seq. Acquisition and relocation of property for open space use is a popular mitigation activity eligible under PDM, HMGP, and FMA. These programs require any property acquired with FEMA funds to be deed restricted and maintained as open space in perpetuity to ensure against future risk from hazards to life and property, and to reduce the need for disaster assistance or insurance payments for damages to property. This proposed information collection previously published in the Federal Register on February 27, 2018, at 83 FR 8493 with a 60-day public comment period. The comment period closed on April 30, 2018. FEMA received 92 comments in response to Information Collection 1660–0103, including comments that express both support and opposition to different parts of the collection. Many comments were similar, but they will be recorded as 102 distinct comments since they addressed multiple parts of the collection. Of the 102 comments received, 67 comments were opposed to language in the three new forms pertaining to the Severe Risk Property Acquisition (SRPA) direct grants to property owners that included an option identified as "Pathway 2: Demolition of Structure(s) Only, Property Owner(s) Retains Ownership." The Pathway allowed property owners to build new structures on the land after the existing structures were acquired and demolished by FEMA. A commitment to use the property as open space in perpetuity was not required. The new structures were required to meet current community flood management building codes, which presumably would be to a higher standard than the damaged structure was built to. Mitigation would
