

ease of access to health care services. OPM uses the CAHPS® results as part of the FEHB Plan Performance Assessment (PPA). The PPA enables a consistent, objective evaluation of carrier performance and also provides more transparency for enrollees. This assessment uses a discrete set of quantifiable measures to examine key aspects of performance in the areas of clinical quality, customer service and resource use. Eight CAHPS® measures are part of this discrete set of quantifiable measures.

Taken together with more traditional assessments of contract administration, these measures help ensure that enrollees receive high quality affordable healthcare and a positive customer experience. The PPA is linked to carrier profit and adjustment factors. FEHB contracts include language to incorporate the PPA as a determinant of the Service Charge or Performance Adjustment.

RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Supplement to Claim of Person Outside the United States; OMB 3220–0155.

Under the Social Security Amendments of 1983 (Pub. L. 98–21), which amends Section 202(t) of the Social Security Act, effective January 1, 1985, the Tier I or the overall minimum (O/M) portion of an annuity, and Medicare benefits payable under the Railroad Retirement Act to certain beneficiaries living outside the U.S., may be withheld. The benefit

withholding provision of Public Law 98–21 applies to divorced spouses, spouses, minor or disabled children, students, and survivors of railroad employees who (1) initially became eligible for Tier I amounts, O/M shares, and Medicare benefits after December 31, 1984; (2) are not U.S. citizens or U.S. nationals; and (3) have resided outside the U.S. for more than six consecutive months starting with the annuity beginning date. The benefit withholding provision does not apply, however to a beneficiary who is exempt under either a treaty obligation of the U.S., in effect on August 1, 1956, or a totalization agreement between the U.S. and the country in which the beneficiary resides, or to an individual who is exempt under other criteria specified in Public Law 98–21.

RRB Form G–45, *Supplement to Claim of Person Outside the United States*, is currently used by the RRB to determine applicability of the withholding provision of Public Law 98–21. Completion of the form is required to obtain or retain a benefit. One response is requested of each respondent. The RRB proposes minor non-burden impacting changes to Form G–45.
