

department or agency. Consistent with Section 203 of FLPMA, a tract of public land may be sold as a result of approved land use planning if the sale of the tract meets the disposal criteria of that section. The public land in question has been identified as suitable for disposal in the BLM Socorro Resource Management Plan (RMP), Appendix F, pages 120 through 125, dated August 20, 2010. However, an RMP amendment is required to establish the criteria to meet the FLPMA Section 203 regulation through planning. The underlying decision will amend the BLM Socorro RMP establishing the FLPMA Section 203 sale criteria for the parcel using the FLPMA Section 202 planning process as follows: "Such tract because of its location or other characteristics is difficult and uneconomic to manage as part of the public lands, and is not suitable for management by another Federal department or agency."

"Disposal of such tract will serve important public objectives, including but not limited to expansion of communities and economic development, which cannot be achieved prudently or feasibly on land other than public land and which outweighs other public objectives and values, including but not limited to recreation and scenic values, which would be served by maintaining such tract in Federal ownership."

The parcel is not required for any other Federal purpose. Regulations contained in 43 CFR 2711.3–3(a)(1) make allowances for direct sales when a competitive sale is not appropriate and the public interest would be best served by a direct sale. The parcel would be transferred to the Archdiocese of Santa Fe and, given its location, will be used for the expansion of the existing cemetery. This action is consistent with 43 CFR part 2710, the objectives, goals, and decisions of the RMP such as the lands and realty objective to make lands available for community expansion and private economic development and to increase the potential for economic diversity. The BLM has prepared an environmental assessment (EA) DOI–BLM–NM–A020–2019–0045–RMP–EA for the RMP amendment and non-competitive direct sale, and will make it available for comment. The comment period on the EA will end concurrently with the close of the comment period associated with this Notice of Realty Action. The EA, environmental site assessment, mineral potential report, map, and approved appraisal report will be made available for review at the Socorro Field Office at the address in the ADDRESSES section and online at the BLM ePlanning website at: <https://>

go.usa.gov/xVYN8. The BLM proposes a non-competitive direct sale because it serves an important local public objective of facilitating the expansion of the existing cemetery. The public land will not be offered for sale prior to 60 days from the date of publication of this notice in the **Federal Register**. The patent, if issued, would be subject to the following terms, conditions, and reservations:

1. A reservation for any right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945).
2. The parcel is subject to all valid existing rights.
3. The purchaser, by accepting the patent, agrees to an indemnification clause protecting the United States from claims arising out of the patentee's use, occupancy, or occupations on the patented lands.

Pursuant to the requirements established by Section 120(h) of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9620(h) (CERCLA), as amended by the Superfund Amendments and Reauthorization Act of 1988 (100 Stat. 1670), notice is hereby given that the above lands have been examined and no evidence was found to indicate that any hazardous substances have been stored for one year or more, nor had any hazardous substances been disposed of or released on the subject property. To the extent required by law, all parcels are subject to the requirements of Section 120(h) of CERCLA.

No representation, warranty, or covenant of any kind, express or implied, will be given or made by the United States, its officers, or employees as to access to or from the above-described parcel of land, the title to the land, whether or to what extent the land may be developed, its physical condition, or its past, present or potential uses, and the conveyance of any such parcel will not be on a contingency basis. It is the responsibility of the buyer to be aware of all applicable Federal, State, and local government policies and regulations that would affect the subject lands. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. Lands without access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

The BLM prepared a mineral potential report dated April 10, 2012, which concluded that all mineral rights should be transferred. The purchaser will have

30 days from the date of receiving the sale offer to accept the offer and to submit a deposit of 20 percent of the purchase price. The purchaser must remit the remainder of the purchase price within 180 days from the date of the sale offer. Payments must be by certified check, U.S. postal money order, bank draft, or cashier's check, and made payable to the U.S. Department of the Interior-BLM. The purchaser may also conduct an Electronic Funds Transfer (EFT). The balance is due 2 weeks prior to the 180th day if the purchaser conducts an EFT. Failure to meet conditions established for this sale will void the sale and forfeit any payment(s) received.

Authority: 43 CFR 2711.1–2(a) and (c).

State Director.

[Investigation No. 337-TA-1100]

Certain Reload Cartridges for Laparoscopic Surgical Staplers; Notice of a Commission Determination Not To Review an Initial Determination Granting Complainants' Unopposed Motion To Amend the Complaint, Case Caption, and Notice of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 14) of the presiding administrative law judge ("ALJ") granting an unopposed motion to amend the complaint, case caption, and notice of investigation in the above-captioned investigation.

FOR FURTHER INFORMATION CONTACT: Benjamin S. Richards, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708-5453. Copies of non-confidential

documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: On July 5, 2019, by publication in the **Federal Register**, the Commission instituted this investigation based on a complaint filed by Ethicon LLC of Guaynabo, PR; Ethicon Endo-Surgery, Inc. of Cincinnati, Ohio; and Ethicon US, LLC of Cincinnati, Ohio (collectively "Ethicon"). 84 FR 32220 (July 5, 2019). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based on the importation into the United States, the sale for importation, and the sale within the United States after importation of certain reload cartridges for laparoscopic surgical staplers by reason of infringement of one or more claims of U.S. Patent Nos. 9,844,379; 9,844,369; 7,490,749; 8,479,969; and 9,113,874. *Id.* The Commission's notice of investigation names the following as respondents: Intuitive Surgical Inc., of Sunnyvale, CA; Intuitive Surgical Operations, Inc., of Sunnyvale, CA; Intuitive Surgical Holdings, LLC, of Sunnyvale, CA; and Intuitive Surgical S. De R.L. De C.V. of Mexicali, Mexico. *Id.* The Office of Unfair Import Investigations is not participating in this investigation. *Id.*

On September 24, 2019, Ethicon moved for leave to amend the complaint, case caption, and notice of investigation. The complaint originally identified the accused products as "laparoscopic surgical staplers, associated reload cartridges, and components thereof" and was titled "Certain Laparoscopic Surgical Staplers, Reload Cartridges, and Components Thereof," but was modified by Ethicon prior to institution to remove staplers and stapler components from the description of accused products and the case caption. Ethicon's motion sought to reincorporate staplers and stapler components into the description of the accused products and the case caption.

On October 23, 2019, the ALJ issued Order No. 14, the subject ID, granting Ethicon's motion. The ALJ found that Ethicon's motion was supported by good cause and that the proposed amendments would not unnecessarily prejudice the public interest or the rights of the parties to the investigation.

No petitions for review were filed.

The Commission has determined not to review the subject ID. From this point forward, the caption for this investigation shall be "Certain Laparoscopic Surgical Staplers, Reload Cartridges, and Components Thereof."

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR 210).

By order of the Commission.

Issued: November 21, 2019.

Supervisory Hearings and Information Officer.
