Respondents/Affected Public:

Companies or individuals seeking ombuds or mediation assistance from the Federal Maritime Commission's Office of Consumer Affairs and Dispute Resolution Services.

Estimated Total Annual Burden

Total Estimated Number of Annual Burden Hours: 125.

Abstract: This is a revision to the currently-approved FMC Form-32

(Request for Dispute Resolution Service—Cruise). When requested by the public and the regulated industry, the FMC, through CADRS, provides ombuds and mediation services to assist parties in resolving passenger vessel (cruise) disputes without resorting to litigation or administrative adjudication. These functions focus on addressing issues that members of the regulated industry and the public may encounter at any stage of a commercial or customer dispute. In order to provide its ombuds and mediation services, CADRS needs certain identifying information about the involved parties and nature of the dispute. In response to requests for assistance from the public, CADRS requests this information from parties seeking its assistance. The collection and use of this information on a cruise dispute is integral to CADRS staff's ability to efficiently review the matter and provide assistance. Aggregated information may be used for statistical purposes.

The proposed revision to Form FMC–32 would add a request for booking or ticket contract number and would remove a request to indicate whether the cruise ended at a U.S. port.

As required by the Administrative Dispute Resolution Act (ADRA), 5 U.S.C. 571 *et seq.*, the information contained in these forms is treated as confidential and subject to the same confidentiality provisions as administrative dispute resolutions pursuant to 5 U.S.C. 574. Except as specifically set forth in 5 U.S.C. 574, neither CADRS staff nor the parties to a dispute resolution shall disclose any informal dispute resolution communication.

This information collection is subject to the Paperwork Reduction Act (PRA). The FMC may not conduct or sponsor a collection of information, and the public is not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. As required by ADRA, 5 U.S.C. 571–574, the information contained in these forms is treated as confidential and subject to the same confidentiality provisions as administrative dispute resolutions pursuant to 5 U.S.C. 574. Except as specifically set forth in 5 U.S.C. 574, neither CADRS staff nor the parties to a dispute resolution shall disclose any
