## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-6083-N-05]

### Notice of a Federal Advisory Committee Meeting, Manufactured Housing Consensus Committee

**AGENCY:** Office of the Assistant Secretary for Housing—Federal Housing Commissioner, Department of Housing and Urban Development (HUD).

**ACTION:** Notice of a Federal advisory committee meeting.

**SUMMARY:** This notice sets forth the schedule and proposed agenda for a teleconference meeting of the MHCC Regulatory Enforcement Subcommittee. This meeting is open to the public. The agenda provides an opportunity for citizens to comment on the business before the MHCC.

**DATES:** The meeting will be held on January 14, 2020, 10:00 a.m. to 4:00 p.m. Eastern Daylight Time (EDT). The teleconference number is U.S. toll-free: 866-628-5137 and Participant Code: 4325435. To access the webinar, use the following link: <https://zoom.us/j/739636113>.

**FOR FURTHER INFORMATION CONTACT:** Teresa B. Payne, Administrator, Office of Manufactured Housing Programs, Department of Housing and Urban Development, 451 7th Street SW, Room 9166, Washington, DC 20410, telephone 202-708-6423 (this is not a toll-free number). Persons who have difficulty hearing or speaking may access this

number via TTY by calling the Federal Relay at 800-877-8339 (this is a toll-free number).

#### SUPPLEMENTARY INFORMATION:

##### Background

Notice of this meeting is provided in accordance with the Federal Advisory Committee Act, 5 U.S.C. App. 10(a)(2) through implementing regulations at 41 CFR 102-3.150. The MHCC was established by the National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C. 5403(a)(3), as amended by the Manufactured Housing Improvement Act of 2000, (Pub. L. 106-569). According to 42 U.S.C. 5403, as amended, the purposes of the MHCC are to:

- Provide periodic recommendations to the Secretary to adopt, revise, and interpret the Federal manufactured housing construction and safety standards in accordance with this subsection;
- Provide periodic recommendations to the Secretary to adopt, revise, and interpret the procedural and enforcement regulations, including regulations specifying the permissible scope and conduct of monitoring in accordance with subsection (b);
- Be organized and carry out its business in a manner that guarantees a fair opportunity for the expression and consideration of various positions and for public participation.

The MHCC is deemed an advisory committee not composed of Federal employees.

##### Public Comment

Citizens wishing to make comments on the business of the MHCC must register by contacting Home Innovation Research Labs; Attention: Kevin Kauffman, 400 Prince Georges Blvd., Upper Marlboro, MD 20774, or email to [mhcc@homeinnovation.com](mailto:mhcc@homeinnovation.com) or call 1-888-602-4663. With advance registration, members of the public will have an opportunity to provide oral or written comments relative to agenda topics for the Subcommittee's consideration. Written comments must be provided no later than January 6, 2020 to [mhcc@homeinnovation.com](mailto:mhcc@homeinnovation.com). Please note, written statements submitted will not be read during the meeting but will be provided to the Subcommittee members prior to the meeting.

The MHCC will also provide an opportunity for oral public comments on specific matters before the Regulatory Enforcement Subcommittee. The total amount of time for oral comments will be 15 minutes with each

commenter limited to two minutes, if necessary, to ensure pertinent Subcommittee business is completed. The Subcommittee will not respond to individual written or oral statements; however, it will take all public comments into account in its deliberations. The MHCC strives to accommodate citizen comments to the extent possible within the time constraints of the meeting agenda.

##### Tentative Agenda

*Tuesday, January 14, 2020—10 a.m. to 4 p.m. EDT*

- I. Call to Order and Roll Call
- II. Opening Remarks—Subcommittee Chair & Designated Federal Officer (DFO)
- III. Approval of minutes from October 29–31, 2019 Regulatory Enforcement Subcommittee Meeting
- IV. Public Comment Period—15 minutes
- V. Assigned Deregulation Comments and Proposed Changes Review Proposed Changes Log:
  - LOG 195 Deregulation Comment Categories:
  - On-Site Completion—DRC 4
- VI. Lunch from 12:30 p.m. to 1:30 p.m.
- VII. Assigned Deregulation Comments and Proposed Change Review Continued
- VIII. Public Comment Period—15 minutes
- IX. Wrap Up—DFO & Administering Organization
- X. Adjourn

Dated: December 6, 2019.

**John L. Garvin,**

*General Deputy Assistant Secretary for Housing.*

### Notice of Availability of the Record of Decision for the Bakersfield Field Office Hydraulic Fracturing Supplemental Environmental Impact Statement, California

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of availability.

**SUMMARY:** In accordance with the National Environmental Policy Act of 1969, as amended (NEPA), and the Federal Land Policy and Management Act of 1976, as amended, the Bureau of Land Management (BLM) has prepared a Record of Decision (ROD) for the Final Supplemental Environmental Impact Statement (EIS) developed for the 2012 Proposed Resource Management Plan

(RMP), and by this Notice is announcing its availability. This supplemental environmental analysis responds to a May 2017, U.S. District Court Order requiring additional environmental analysis of the potential impacts of hydraulic fracturing of oil and gas resources within the planning area. The BLM issues this ROD to re-affirm the portions of the 2014 ROD that were set-aside in a partial remand. Because there are no changes to the 2014 RMP resulting from supplementation of its underlying EIS, with signature of this ROD, that part of the 2014 ROD that was set aside on remand, is now in effect.

**DATES:** The Acting California State Director signed the ROD on December 12, 2019.

**ADDRESSES:** Copies of the ROD are available for public inspection during regular business hours at 3801 Pegasus Drive, Bakersfield, CA 93308. Interested persons may also review the ROD at <https://go.usa.gov/xE3Nw>.

**FOR FURTHER INFORMATION CONTACT:** Carly Summers, Supervisory Natural Resources Specialist; telephone: 661-391-6000; email: [csummers@blm.gov](mailto:csummers@blm.gov); address: Bureau of Land Management, 3801 Pegasus Drive, Bakersfield, CA 93308. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339 to contact Ms. Summers during normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or question. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The Bakersfield Field Office planning area is located in eastern Fresno, western Kern, Kings, Madera, San Luis Obispo, Santa Barbara, Tulare, and Ventura counties in California and encompasses approximately 1.2 million acres of Federal minerals, which includes roughly 400,000 surface acres of BLM-managed public land.

This supplemental environmental analysis responds to a May 2017, U.S. District Court Order requiring additional environmental analysis of the potential impacts of hydraulic fracturing of oil and gas resources within the planning area. The U.S. District Court Order upheld the range of alternatives analyzed in the 2012 Proposed RMP/Final EIS. The five management alternatives analyzed in the Proposed RMP/Final EIS were:

- The No Action alternative (Alternative A)—continue current management under the existing 1997 Caliente RMP and 1984 Hollister RMP, as amended.

- The Proposed Plan (Alternative B)—balance resource conservation and ecosystem health with the production of commodities and public use of the land.

- Alternative C—emphasize conserving cultural and natural resources, maintaining functioning natural systems, and restoring degraded natural systems.

- Alternative D—same as Alternative C, except that Alternative D would eliminate livestock grazing from BLM-managed lands in the planning area.

- Alternative E—emphasize the production of natural resources, commodities and public use opportunities.

The 2012 Proposed RMP/Final EIS identified public lands as available to fluid mineral leasing; no changes to that designation were made through the Final Supplemental EIS.

Preliminary resource issues were presented for public scoping review and comment in the August 8, 2018, **Federal Register** Notice of Intent (83 FR 39116). Issues identified by the BLM, Federal, State, and local agencies, and other stakeholders include air and atmospheric values, water quality and quantity, seismicity, special status species, and mineral resources (oil and gas).

The Draft Supplemental EIS began a 45-day public comment period upon publication of the Notice of Availability in the April 26, 2019 **Federal Register** (84 FR 17885). The BLM held public meetings on May 21, 22, and 23, 2019, in Bakersfield, San Luis Obispo, and Santa Barbara, respectively. Approximately 600 individuals attended the three meetings and approximately 16,000 written comments were received through ePlanning and standard mail. Responses to substantive comments are in Appendix B: Public Comment Summary Report of the Final Supplemental EIS. Public comments resulted in the addition of clarifying text to the final EIS, but did not warrant or suggest further supplementation or change.

The Final Supplemental EIS Notice of Availability published in the **Federal Register** on November 1, 2019 (84 FR 58739).

The results of this final supplemental analysis regarding the impacts of hydraulic fracturing of oil and gas resources, additive to those identified in the 2012 Final EIS, did not show a notable increase in total impacts. No conflicts were found between the estimated impacts of hydraulic fracturing and the resource or program management goals and objectives stated in the approved RMP. The range of alternatives was upheld by the District

Court and has not changed between the approved 2014 RMP and its 2012 Final EIS and the 2019 Final Supplemental EIS. Therefore, no amendment to the 2014 RMP is necessary, and the BLM upholds its previous decision to select the Proposed Plan (Alternative B) for its Resource Management Plan. BLM has fully analyzed the effects of hydraulic fracturing in accordance with the order of the court, and although the 2012 EIS has been supplemented, no change is made to the RMP decisions that were approved in 2014.

The BLM utilized and coordinated the NEPA process to help fulfill the public involvement process under the National Historic Preservation Act (54 U.S.C. 306108), as provided in 36 CFR 800.2(d)(3). The BLM will continue to consult with Indian tribes on a government-to-government basis, in accordance with Executive Order 13175 and other policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will continue to be given due consideration.

With this ROD, the BLM incorporates the supplemental EIS for the Bakersfield Field Office Resource Management Plan (RMP) into the August 2012 EIS, which supported the Bakersfield Field Office Proposed Resource Management Plan. The BLM issues this ROD to re-affirm the portions of the 2014 ROD that were set-aside in the partial remand. Because there are no changes to the 2014 RMP resulting from supplementation of its underlying EIS, with signature of this ROD, that part of the 2014 ROD that was set aside on remand, is now in effect.
