**SUPPLEMENTARY INFORMATION:** This ICR seeks to extend PRA authority for the Notice Requirements of the Health Care Continuation Coverage Provisions information collection. The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provides that under certain circumstances participants and beneficiaries of group health plans that satisfy the definition of qualified beneficiaries under COBRA may elect to continue group health coverage temporarily following events known as qualifying events that would otherwise result in loss of coverage. COBRA provides that the Secretary of Labor (the Secretary) has the authority under section 608 of the Employee Retirement Income Security Act of 1974 (ERISA) to carry out the provisions of Part 6 of title I of ERISA. The Conference Report that accompanied COBRA authorized the Secretary to issue regulations implementing the notice and disclosure requirements of COBRA. Included in the ICR are two model notices that the Department believes will help reduce costs for service providers in preparing and delivering notices to comply with the regulations.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0123.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on December 31, 2019. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 27, 2019 (84 FR 11573).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at

**SUPPLEMENTARY INFORMATION:** This ICR seeks to extend PRA authority for the Model Employer Children's Health Insurance Program Notice information collection. The Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA, Pub. L. 111-3), was signed into law on February 4, 2009. Under ERISA, an employer that maintains a group health plan in a State that provides medical assistance under a State Medicaid plan under title XIX of

the Social Security Act (SSA), or child health assistance under a State child health plan under title XXI of the SSA, in the form of premium assistance for the purchase of coverage under a group health plan, is required to make certain disclosures. Specifically, the employer is required to notify each employee of potential opportunities currently available in the State in which the employee resides for premium assistance under Medicaid and CHIP for health coverage of the employee or the employee's dependents. ERISA section 701(f)(3)(B)(i)(II) requires the Department of Labor to provide employers with model language for the Employer CHIP Notice to enable them to timely comply with this requirement.
