The exemption provides additional exemptive relief for employers to furnish limited amounts of goods and services to a managed fund in the ordinary course of business. Limited relief also is provided for leases of office or commercial space between managed funds and QPAMs or contributing employers. Finally, relief is provided for

transactions involving places of public accommodation owned by a managed fund. QPAMs are permitted to manage an investment fund containing the assets of the QPAM's own plan or an affiliate's plan.

The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Prohibited Transaction Class Exemption for Certain Transactions Between Investment Companies and Employee Benefit Plans (PTE 1977–4) information collection. Prohibited Transaction Exemption (PTE) 77–4 provides relief from the restrictions of section 406 of ERISA and from the sanctions resulting from the application of section 4975 of the Code, for an employee benefit plan’s purchase or sale of shares of an openend investment company registered under the Investment Company Act of 1940 (mutual fund) when an investment advisor for the mutual fund or its affiliate is: (1) A plan fiduciary; and (2) not an employer of employees covered by the plan. Section II(d) of PTE 77–4 contains certain conditions for the exemptive relief and provides, in pertinent part, that: A second fiduciary with respect to the plan, who is independent of and unrelated to the fiduciary/investment adviser or any affiliate thereof, receives a current prospectus issued by the investment company, and full and detailed written disclosure of the investment advisory and other fees charged to or paid by the plan and the investment company,

including the nature and extent of any differential between the rates of such fees, the reasons why the fiduciary/investment adviser may consider such purchases to be appropriate for the plan, and whether there are any limitations on the fiduciary/investment adviser with respect to which plan assets may be invested in shares of the investment company and, if so, the nature of such limitations. Delivery of a “summary prospectus” may be used to satisfy the condition in section II(d) of PTE 77–4 requiring the delivery of a mutual fund’s prospectus to the second fiduciary if the summary prospectus meets the requirements of the Securities and Exchange Commission’s (SEC) revised disclosure provisions for mutual funds including a summary prospectus rule that were published in 2009. Pursuant to the SEC’s revised disclosure provisions, mutual funds also are required to send the full prospectus to the investor upon an investor’s request and to provide the full prospectus online at a specified internet site.
