

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁷ the Exchange does not believe that the proposed rule change will impose any burden on intermarket or intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by extending the expiration of the Penny Pilot Program, the proposed rule change will allow for further analysis of the Penny Pilot Program and a determination of how the Penny Pilot Program should be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder. Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6)¹¹ thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹² normally does not become operative prior to 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹³ the Commission may designate a shorter time if such

action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow the Pilot Program to continue without interruption in a manner that is consistent with the Commission's prior approval of the extension and expansion of the Pilot Program.¹⁴ Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

[Release No. 34-84961; File No. SR-Phlx-2018-84]

Self-Regulatory Organizations; Nasdaq PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Phlx Rule 1034

December 26, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 21, 2018, Nasdaq PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Phlx Rule 1034 (Minimum Increments)³ to extend through June 30, 2019 or the date of permanent approval, if earlier, the Penny Pilot Program in options classes in certain issues (“Penny Pilot” or “Pilot”), and to change the date when delisted classes may be replaced in the Penny Pilot.

The text of the proposed rule change is available on the Exchange’s website at <http://nasdaqphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend Phlx Rule 1034 to extend the Penny Pilot through June 30, 2019 or the date of permanent approval, if earlier,⁴ and to change the date when delisted classes may be replaced in the Penny Pilot. The Exchange believes that extending the Penny Pilot will allow for further analysis of the Penny Pilot and a determination of how the program should be structured in the future.

Under the Penny Pilot, the minimum price variation for all participating options classes, except for the Nasdaq-100 Index Tracking Stock (“QQQQ”), the SPDR S&P 500 Exchange Traded Fund (“SPY”) and the iShares Russell 2000 Index Fund (“IWM”), is \$0.01 for all quotations in options series that are quoted at less than \$3 per contract and \$0.05 for all quotations in options series that are quoted at \$3 per contract or greater. QQQQ, SPY and IWM are quoted in \$0.01 increments for all options series. The Penny Pilot is currently scheduled to expire on December 31, 2018.⁵

The Exchange proposes to extend the time period of the Penny Pilot through June 30, 2019 or the date of permanent approval, if earlier, and to provide a revised date for adding replacement issues to the Penny Pilot. The Exchange proposes that any Penny Pilot Program issues that have been delisted may be replaced on the second trading day following January 1, 2019. The replacement issues will be selected based on trading activity in the previous six months.⁶

This filing does not propose any substantive changes to the Penny Pilot Program; all classes currently participating in the Penny Pilot will

⁶ The replacement issues will be announced to the Exchange’s membership via an Options Trader Alert (OTA) posted on the Exchange’s website. Penny Pilot replacement issues will be selected based on trading activity in the previous six months, as is the case today. The replacement issues would be identified based on The Options Clearing Corporation’s trading volume data. For example, for the January replacement, trading volume from June 1, 2018 through November 30, 2018 would be analyzed. The month immediately preceding the replacement issues’ addition to the Pilot (*i.e.*, December) would not be used for purposes of the six-month analysis.
