

that eligible executions shall only include executions resulting from single-sided orders submitted to the Matching System.

- *Section E.9 (SNAP Execution Fees).* Current Section E.9 provides the fees for certain executions that resulted from SNAP auctions. Given that SNAP has been decommissioned, the Exchange proposes to delete Section E.9 in its entirety.

- *Section Q (SNAP Incentive Program).* Current Section Q provides the SNAP Incentive Program, which provided certain rebates to Participants that initiated SNAP auctions. Given that SNAP has been decommissioned, the Exchange proposes to delete Section Q in its entirety.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(1) of the Act,⁹ in particular, in that it is designed to ensure that the Exchange is so organized and has the capacity to be able to carry out the purposes of this chapter and to comply, and to enforce compliance by its members and persons associated with its members, with the provisions of this chapter, the rules and regulations thereunder, and the rules of the Exchange. Specifically, since the proposed rule change eliminates obsolete fees and rebates, the proposed rule change would clarify and streamline the Fee Schedule and therefore enhance the ability of the Exchange to enforce compliance by its members and persons associated with its members with the rules of the Exchange.

In addition, the Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act, in general, and furthers the objectives of Section 6(b)(4) of the Act, in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities. Specifically, since the elimination of the obsolete fees and rebates would apply to all members of the Exchange and the proposed rule change does not modify any other fees and rebates that have already been approved by the Commission, the proposed rule change ensures the equitable allocation of reasonable dues, fees, and other charges among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Given that the proposed rule change deletes fees and rebates for functionality that has been decommissioned, the proposed rule change does not raise any competitive issues.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹⁰ of the Act and subparagraph (f)(2) of Rule 19b-4¹¹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹² of the Act to determine whether the proposed rule change should be approved or disapproved.
